Dear Jerry, Lucy & Ann,

Please excuse this paper. I haven't found my writing paper as yet. Still packed I guess. We are getting settled here and we really like our house. It is also a very friendly neighborhood. We have people across the street from Pueblo. Can you imagine that. Everyone out here is from someplace else, even Canada. We have met some natives tho. There is a young bachelor having a house built right beside us. He was in for a visit this morning.

Thanks for the card and letters. It was really thoughtful of you to write so that we had mail so soon. Hope you are all well. We are fine and are going to a big 4th celebration at Ken Caryl ranch for the J-M employees. They are going to roast a steer, have stagecoach rides, give away prizes, and you name it. I guess we should have fun. You know this is really beautiful out here and we have a real nice view of the mountains, city lights and the plains

Our trip out was good. We had nice weather and the dog turned out to be a perfect traveling companion.

Last night we went downtown and bought some furniture for the family room and tables for the living room. It sure was fun. Afterward we had dinner at a Hungarian place - very cozy. There are so many nice places to eat here.

We also visited the Denver Historical museum while waiting for the movers to unload. We spent a week in the motel here before moving into the house. Buddy's just so happy with his new office and job. They have their own restaurant in the building - very plush.

I hope Daddy is feeling better now and also Mr. Richman is working and keeping well. Tell them I said hello. I miss seeing all those familiar faces. Please don't work too hard. I hope Bill Little and his wife will stop and see us. You can give them our address. We will have a cold beer or something waiting for them.

We too enjoyed getting together at the Holiday Place. Keep well and write as soon as you can. Much love to all,

Dear Cousin,

Sorry I don't know your name, Only Gerry's wife or Lloyd's daughter-in-law. I am Hazel Duffey's daughter.

Mother said you were interested in the Weaver background. In some of her possessions we found the enclosed articles that belonged to her Mother.

Mrs. Hugh Weaver was Uncle John's grandmother. The Elsie was Uncle Willie's first wife - she had an abortion and died from infection. I'm enclosing their wedding and her death notice. It is most unusual the way they had them worded.

I am sorry about Floyd's death, he had the same thing as Mother except Mother's was on her leg. It was very hard for me to lose both of them in two weeks but it was so much better for them I shouldn't griev

Dear Dorothy and Ronald,

Just received a letter from Mrs. Don Samsel in Windom, Minn. saying she had received word of Mabel Samsel's death. Was very shocked to learn of it. When did she die and what happened. Hadn't heard from her for a long time even though I had written and thought perhaps she was ill. In going through her belongings, did anyone come across any clippings or any data that might be helpful for information on the Samsel family? If so, would be interested in receiving the information. I really felt badly, when I learned of her death, because she was so sturdy, and so interesting to talk to and a contact with days gone by.

Am still plugging away on the family history and when I have enough to put it together, will see that you get a copy. So many things have happened since we last saw you. Bert Weaver, Hazel and George Duffey, and Jerry's Dad and now Mabel have all passed away. Time just flits away.

How are you? Suppose Larry is growing more everyday. Our Ann is sixteen and a different looking young lady than when you saw her. She had her braces removed from her teeth and has lost about 27 pounds. How is Aunt Emma? Think about her quite often, too.

Still can't forget the wonderful way you treated us when we were in Polo. Hope someday you can come to Defiance and we can return the same. Well, must close and finish 161 things that I have to do. Hope to hear from you about Mabel.

With warm regards,

Dear Lucy + Jerry -

Thank you for you nice letter concerning Mabel. Jim (Ronald) has been appointed administrator of her estate so we have been quit busy. Her sale was Nov 17 and it was a big job getting ready for it.

She passed away very suddenly. Larry and I took her down town in the morning and Ronald was over during the noon hr. and had a nice visit for almost ½ hr. She told him her stomach was upset but she felt just fine.

In the afternoon Larry went over to play and draw pictures at her house. He found her on the couch slumped over dead. It was a very bad shock to him, because as you know she was just like another Grandmother to him. This was July 21, 1973. I never thought that we would miss her so much. There were times when she "pestered" us especially when I came home from work and had my house work and dinner to make plus being tired. But I would give anything if she could just come in that back door like she used to.

We didn't find any thing with any information on it. There was a

large family Bible upstairs but nothing written in it. So I guess I can't help on any information. You do have her birthdate I suppose. anyway it was July 7, 1890. If you need any more info that we can help you with please let me know. I know that compiling all this information can be a huge undertaking. We just received a family tree book on my father's Mother's side. If you ~~have~~ need to be paid before the printing can be done let us know and we will be glad to pay before we get the book. It is a marvelous thing that you are doing for our children.

Mother W. is failing this past year. Her eyesight is very bad and getting a little shaky on her feet. But I think she is doing quit well for almost 90 yrs. I only wish our house had one more bedroom. We would have her with us. She gets so lonesome in the eve.

Larry is in 4th grade. Likes school, is in Cub scouts and has a tree house that he and his Dad built this summer. That is the biggest thing in his life right now. We got a new portable Color TV and he thought it was just the right size

for the tree house. My broom, dust pan and everything else ends up there sooner or later. He is home sick with a bad cold yesterday and today but should be ready to go back to school tomorrow. I enjoyed the 2 days off, but get so worried when he gets a cold.

We wish you the nicest Christmas and Happiest 1974-

Fondly

Dorothy

EXCHANGE COLUMN

I am a housewife with 4 children, ages 10, 7, 4½, and 3 years old. Boy, girl, boy, girl. This fall I will have just one left at home. Our family is beginning to have many different interests.

We try to go camping once a month. We belong to a camping club where my husband works, and also we have joined the N.C.H.A. We are planning to go to the 1972 N.C.H.A. Campvention in Indiana this July. We have a tent trailer that sleeps 8. We enjoy camping except on weekends that it rains. On the long weekend that we had beautiful weather while out camping, the first day the 3 older children came down with the Chickenpox, so we had to pack up and go home. We have also, with a few other families tried starting a new Maryland chapter of N.C.H.A.

My husband and I have also started working with C.B. radios. They are 12 channel radios. We have a base, mobile and a walkie-talkie. The walkie-talkie we are going to use in the trailer for camping. We would be interested in hearing from other licensed C.B. radio operators and give your call letters. We do monitor a good bit on channels 10 and 14 at this time but we hope to have other channels in time. Our call letters are:KEQ 3168.

Our oldest son is in the Weblow Scouts and my husband has agreed to be their leader for this next year. We would appreciate any help from any others doing this work as this is our first time working with a group of these boys.

My main hobby is doing Genealogy. I have been trying to get information on these names: Angle, Anstine, Blocher, Brubaker, McClough, Miller, Pressler, Stump, Tinkel, Tinkle, Tyner, Weaver. I would like to bring these family names up to date. I had joined a Genealogy Round Robin and someone stopped it so I would like to start another if anyone is interested.

REC'D
JUNE 1975

Dear Folks,

Thought you would want to know that Mom Weaver was in the hospital in Freeport for 8 weeks and a Nursing home 5 days. She had three bad spells with heart and was taken on Sat. June 7th. Her funeral was on Tues. the 10th. She was unhappy as very weak and couldn't raise her hand or hold a glass of water - was hand fed mostly liquids & pureed foods.

I moved with my dad by Polo on Jan. 29th - He had 4 surgerys and a slight stroke - Was getting out and driving his car only 8 days -

on his way home from his farm by Polo & had a blackout - hit a tree & bridge abuttement & was in the Dixon hospital for 4 weeks & a day in a coma - never came to. I took a leave of abscene and was with him all the time. I had vein surgery on both legs the same time he was in for a frostrate surgery. Then Wayne took some time off & was here to do work. Hope this finds all of you O.K. Please let Syvilla read this as I would write her the same message. Love,

Kitty & Wayne

Dear Sirs:

I am writing for your assistance in obtaining copies of the following death records: IVER JENSEN, who died at his home in Warren, Illinois on Feb. 21, 1913. NANCY C. BARNHART WEAVER, who died in Polo, Illinois on April 17,1907. HUGH WEAVER, who died in Ogle County, Illinois in 1898. In the past I have written to the county clerk in Jo Davies County and in Ogle County, but they have replied that they have none of the certificates filed in their office. Is it possible that these deaths are recorded in the State office and not recorded in the local courthouse? Copies of the obituaries give the dates and places of their deaths, so I believe that the facts are accurate. Any help you can give in this matter will be greatly appreciated.

Sincerely,

(Mrs.) Gerald F. Weaver

Dear Mrs. Weaver;

I noticed your ad in the "Helper" re BARNHART.

My grandfather John Epley Barnhart and my greatgrandfather Levi Zacharias BARNHART were both from Penna.

Perhaps if these are names in your lines we could exchange information

Dear Mrs. Weaver;

Thank you for answering. I will file your info on "BARNHART". My research doesn't quite go back as far as Nancy .

My Levi died in 1888. His wife Martha was born in 1843.

As you have said - names are often passed on. The children's names you mentioned don't correspond with anything I have on file.

I have no record of Levi's father, as yet.

Yours truly,

Dear Mrs. Weaver,

I noticed your ad in the Helper. I too am searching for a Hugh Weaver. Have you by any chance run across one who moved to Ga.? He had a son Robert McManus Weaver born around 1808 in Ga. I know not where. Nathan L. was a son 3 yrs. younger, also born in Ga.

WEAVER

In 1840 both sons were living in Butler Co. Ala. as shown in the census.

I would apperciate hearing from you if you know anything of this family.

If there were other children, I have found no trace of them.

Sincerely
Augusta D. Waters

P.S. in 1850 Robert M. was in Lincoln Co. Tenn.

Dear Mrs. Weaver:

It is so unusual to see anyone seeking a WEAVER that I thought I would write you. I had it in my adv also in the Gen Helper of March & April so perhaps you are intending to write me....

I wish I could give you dates, but the best I can do is to estimate the age of a WILLIAM WEAVER. He would have bean born between 1850-1860 I believe. I remember visiting him and my G-Gmor in Coldwater, Michigan when I was about 5 or 6..but remember him so well. He was stooped from an apparent back injury - not humped but very stooped. He was of stocky build. He had come from Pennsylvania. He must have been about 65 when I saw him. must have been in late 70's.

He and my grandmother are interred in the Oakwood Cemetery in Adrian, Michigan, I believe, perhaps it is Coldwater - but it is the Oakwood Cemetery. I have tried for years to obtain information from them but have nothing to date. Believe he and G-Gmor were buried about 1923.

Her name was Alice Russell Force when she married Grandpa Weaver. She had been married to Charles Rhylie Force - when he died she married William Weaver.

How I hope you may have something that you think fits in...it has been such a long DRY spell...what else is new? Here in the NW and in the So West - like Calif., it is sad, 30 mile lakes dried to apuddle in the middle. Hopefully it isn't like that in Ohio.

Hopefully yours,

Clara

Dear Mr. Weaver:

The article which you read in the "Genealogical Helper" dealt with my side of the family, the Helmlinger/Hemlingers. I will geive you some information on my husband's family, the WEAVERS. I'm afraid that there is no link with your family from Virginia. The earliest progenitor that we have information on is: Hugh Weaver, born about 1816/17 in Pennsylvania. We do not have the name of his parents, but they were born in Pennsylvania also. Hugh married Nancy Barnhart, who was born 17 December 1821 in Cumberland County,Pennsylvania. They were married in Pennsylvania and then moved to the vicinity of Hagerstown, Maryland where they resided from 1840-1846. From 1846-1898, they lived in Ogle County,Illinois. Hugh died in 1898 and Nancy in 1907. Their children were: JAMES FRANKLIN WEAVER (my husband's great grand-father) born 8-8-1842 and died 1935 in Polo,Ill. Charles A. Weaver(1842-1900); Sarah b. 1845; David Henry b. 1847; Ann E. Weaver Phelps b. 1849; Alfred (1852-1921); Mary(1852); Margarett Weaver Moats(1857); Lucy A. (1860-1867); Clara Weaver Misner(1861-1931) and Fannie(1865). One other..name unknown. JOHN WEAVER, son of JAMES FRANKLIN WEAVER was born 1874 and died in Defiance,Ohio in 1954. His son, Floyd Weaver(my husband's father) was born 1900 and died in 1973. Most of the descendants of this particular family reside in Illinois or Missouri.

I have found that researching the name of Weaver is almost as bad as hunting the Smiths. I wish you luck in your endeavor.

Sincerely,

Dear Mrs. Weaver,

I always get a note off to all Weavers who advertise in the Genealogical Helper hoping someday to locate someone who can help me with my Weaver line. Your ad was in a copy dated last year.

I'm searching for Samuel Weaver who was born in Penn. about 1827. I first found him in the 1850 census living with, probably, a brother John Weaver & wife Sarah and family in Harrison County, Ohio. John was also from Penn.

I have all information on Samuel from 1850 on but need to locate his parentage and place of birth.

Any information will be greatly appreciated. Thank you for your time and interest.

Sincerely,

Jerry H. Derby

Dear Mrs. Weaver,

This is in response to your ad in the Helper regarding Nancy Barnhart. I do not have a Nancy that I know of, but lots of Barnharts, mostly from Armstrong, Allighany, Butler & Clarion Counties in Pennsylvania; all about the time period you are concerned with. We might be able to help each other if I knew a little more. Do you have any brother's or sister's names, children's names, etc.

By the way, I too am just beginning. I have a John Barnhart, b. 1800, Butler Co., PA. I do not know the names of his brothers and/or sisters. His father was Jacob Barnhart. That's all I have.

If you want to exchange information I would be most pleased.

Concerning July 1978 Helper on Nancy Barnhart

The beginning paragraphs on my Barnhart story are----"Peter Barnhart was born March 31, 1751 in Germany. Whele he was yet a very young man, he and his brother Jonathan went to Holland to attempt to find a way to the new world of America. In 1771 they were able to stow away on a ship ;that was heading for the port of Phila delphia. (other places it says Balti more) ---------------Peter met Molly Boyer. They were married and went to live in Lancaster County, Penn. The Revolutionary War had broken out, and Peter and Jonathan enlisted.----------After being discharged from the army, Peter and Janathan took their families westward to Somerset County, Pennsylvania, where both young men bought property.-------

Peter is my ancestor. He settled at Chautauqua County NY and died there in 1836. He had 10 children--Abraham
John who migrated to Canada
Jacob who migrated to Canada
Jonathan b 1781 d. NY 1823
Peter, Jr. b 1787 d. Iowa 1876
Henry b 1791 d NY 1877
Martha b 1794 d NY 1877 My ancestor m. JOHN WEST
Nancy b 1797 d. NY 1858
Betsey
Susan

I am wondering if there might be some connection. Could your Nancy have been an ancestor of Peter's brother Jonathan?

I would appreciate hearing from you. I have a friend working on another Peter Barnhart and we find no connection between the two Peters---hers and mine.

Dear Mrs. Weaver:

I read your query in the Jan./Feb. 1979 issue of the Genealogical Helper.

I am searching for my Weaver line. My great grandmother was Adeline Louisa Weaver, born 19 March 1823. Probably born in Ind., but no proof although my grandmother's death certificate stated her mother was born in Ind. In 1857, Adeline Married Noah Harvey and they had 7 children. She was Noah's 3rd wife.

According to information my grandfather supplied for Martha Ellen Harvey Miller, the family moved from Ind. to Port Andrew, Richland Co., Wisconsin when Martha was 12 years old. (About 1870) I have not learned where Adeline and Noah died, but presume they may of died in Wis. although my mother thinks she recalled hearing her mother's parents went back to Ind. after they went to Kansas.

My grandparents: Martha Ellen Harvey married 1878 to Jason F. Miller and they moved the same year to Rush Co., Kansas. In 1908 they moved their family to Coos Co., Oregon where they resided for years prior to their death.

I have very little information on Adeline Louisa Weaver and I just recently learned her birth and death dates from distant cousins on the Harvey side I just discovered. None of them searching on their family tree but was able to give me some information to go on.

Do you have an Adeline Louisa Weaver in your line? By some luck does our lines connect?

I am sending you a chart for your files and would appreciate a chart on your line for my files. I do have material on other Weavers and if it is your line I will be willing to send it to you. I need help and I am always willing to help some one else. Many wonderful people have helped me on other lines although I could not help them, so I try to share what I have collected with others if it will help them.

I have no idea where Adeline's parents came from before going to Indiana. I am still trying to locate who her parents, brothers and sisters were. If you have names and addresses of other Weaver searchers I would appreciate having them. I have placed queries in Ind., Wis. and Genealogical Helper but had no good results. Any help you may be able to give me will be appreciated. And if I can be of help to you by going through my Weaver material I have gathered over the years, I will glady do so.

I will be waiting anxiously to hear from you.

Sincerely,

Marjorie A. Nichols

Dear Mrs. Weaver;

I have tried to link your Weaver family with my geneological work-up on our ancestors and have come up with the only possible link. Below is a resume of our family history, no details, and maybe you can go from there. I will keep your letter on file so if I do come up with a definite link I will let you know.

Michael"Weber" Weaver born in Hesse Kingdome of Wurtenburg, Germany 1739-1821.
Married a Margaret Hess " " " " " 17 -1827.
They emigrated to America in 1769 at the age of 30 (Michael) with their three children

1	Philip Weber	Aug. 23, 1765	Wurtenburg, Germany
2	Jonas " (twin)	1767	" "
3	Jacob " (twin)	1767	" "

After setteling in Rush Twp., Northumberland, Pa. they had 10 additional children. When the first child was born in America they changed the name from Weber to Weaver, the American name for Weber.

4 Martin Weaver born 1770
5 George Weaver
6 John Weaver
7 Henry Weaver
8 Frederick Weaver
9 Margaret Weaver married a Ralph Reply
10 Mary Weaver married a Michael Dimmick
11 Catherine Weaver married a Jacob Swenk
12 Sophia Weaver married a John Baker
13 Elizabeth Weaver married a Paul Zartman

I do not have anything more on this family except for ~~Michael~~ Phillip, which is our direct ancestor, but I do have everything on Phillip and all of his descendents. The abve boys would all have been born from 1770 on and would be in the same age bracket as would be the parents of Hugh Weaver. Also Cumberland Co. would have been next to Northumberland Co. at that time. If I were you I would try the Northumberland, Cumberland and even Berks Co. for more information.

I do plan to work up all the children of Michael and Margaret Weaver, but it is slow and I want to finish our lineage first. This may not be of any help but I went to the Historical Society today to look up Weavers and most of them in Pa. are from Berks, Northumberland, and Berks Co.'s. By the way Michael Weaver and family settled on the Sesquehanna River opposite and near Danville,PA. They were members of the German Luthern Church so that may be a lead for you also.

If you do happen to link up the family with our Michael "Weber" Weaver will you let me know. Thank you, and good luck on your search.

Sincerely,

Mrs. Donald Corson

Dear Mrs. Weaver,

Weavers are connected slighty by marriage to an ancestor of mine (Woodson Nunnally) He married a Nancy Weaver June 5, 1821 - She was the daughter of John Weaver and Eliz. Weaver - married in Prince Edw. Co. Va. I have a copy of this document if it is of any use to you. ~~She was born~~ She was his first wife of three.

Dear Mrs. Weaver;

I read in the Jan.-Feb. issue of the Genealogical Helper you were inquiring about "Weaver" in the Hamilton, Shelby Counties of Ohio. With a little more information I may be of some help to you as I have most of my husbands Weaver ancesters back to Wurtenburg, Germany to the year 1739. This would be Michael "Weber" Weaver, wife Margaret Hess, both born in Germany. The name was officiall changed to Weaver in 1770 when the 4th child was born in Penn. The three previous children were born in Germany.

We may be able to help each other with the missing links of the Weavers. If you are interested please let me know. I also have a great deal of History connected with our Weaver family. My only charge would be for photo copies of any official documents you may wish if they are of use to you, and postage. I believe the copies are about 15¢ each.

May I hear from you soon.

Would it be possible that you have on file the record of a marriage between HUGH WEAVER and NANCY BARNHART which occurred in 1840 in Cumberland County, Pennsylvania? If so, I would like a copy. I am looking for a clue to the parentage of both, but if this is not on the record would still like a copy since I do not have the exact date of the marriage.

Not knowing what your fee is, I am enclosing a check for $2.00 and a self-addressed envelope. Please advise whether or not you have such a record and if there is an increase in the charge.

Thank you for your assistance.

Dear Lucy -

I saw your Ancestor ad in the new Helper. Nancy Barnhart - Cumberland, Pa.

I'm trying to discover where my great-great-great grandfather, Ernest Phelix Barnhart lived or was born in Pa. Thought maybe he might be related to yours.

I have found corresponding to be the most rewarding and sometimes the most reliable source.

If we make a connection, I'll be glad to furnish what info I have with you. My Barnharts moved to Tenn. Around Nashville in 1849 because that is where my great grandfather was born James F. 1st.

May your search be fruit ful.

Dear Mr. and Mrs. Wilson,

My sincere apologies for the delay in answering your letter regarding the WEAVERS. I had put your letter aside until I had time to answer it and just came across it today.

I can not be of any help to you at this time, but will keep your letter on file for future reference as I quite often hear from other Weavers...

My husband's great great grandfather was Hugh Weaver, born about 1816/17 in Pennsylvania. He married in 1840 Nancy Barnhart, born in Cumberland Co., Penn. They moved to Ogle Co., Ill in 1846 and lived all of their lives there. His son was JAMES FRANKLIN WEAVER born in 1842, who also lived all of his life in Ogle Co., Ill. James' son John Weaver, born 1874 in Polo, Ill. came to Defiance about 1913.

Thank you for writing and if any clue comes along in my mail, I will get in touch with you.

You mentioned Brunersburg, Defiance County. We live in Defiance, about one and one half miles from Brunersburg. If you need any help on that line, let me know.. since I have access to birth and death records and cemetery records for Defiance County and would be glad to help you.

We have been doing our own family research for several years.

Clyde's grandfather was John Henry Mounts. His first wife was Sarah Ann Barnhart, dau of David Barnhart and Grace Coffman, who lived in Columbus, Ohio.

Sarah Ann B 29 Sept 1833 Ohio D - 19 Nov 1867 Clay Co. Ind.

Hope this will help you and if you want it, can send you more on John Henry & Sarah Ann's family. Also have a little more on David Barnhart's

John Henry Mounts mar a second time to Catherine Royer. They are Clyde's grandparents so we have done more searching on Royer than on Barnhart.

Dear Lucy - REC'D ABT 11-11-79

Thank you for your letter + the names. Will send them all copies of what I have.

No connection as I can see yet but the James Franklin has me very curious.

As I have been doing my father's side lately, because of a streak of luck which came by mail, I have found little time for my moms. It gets quite mixed up around here. No one should do geneology the way I do. But I have found so many living relatives and now am hoping to attend a reunion in Aug. + visit some of them.

With all this Barnhart info coming in I do promise to start working on them harder. I have a chance to see a 1790 Pa Census at our Society + when I get to Syracuse I'll check further. I still have 2 days vacation left + plan on doing only geneology. But it never seems to be enough time.

A friend of mine is trying to get me to go to Pa + do some research but doubt if I'll be able to before next Spring. I don't like traveling in winter and ours can be doozies.

If you ever get a chance to look at an 1850 Ohio Census I would sure appreciate it if you would check something for me. There's no rush however.

I lost a relative between Me + Iowa to a Mercer Co. + Ohio seem to be the only state that has one in that direction. The name is Samuel Horsum (Hersom) III, wife Margaret Blaisdell and 13 children, last 4 born in Mercer Co. before 1850. Would like to know what town?

Until I check a few resources + hear from the rest of the names -

THE PALATINE FAMILIES OF NEW YORK

(A Genealogical and Historical Study)

Mrs. William M. Bonham

Carlisle, Pa. 17013

Dear Mrs. Bonham:

Thank you for your nice letter of 26 November. Glad you enjoyed the talk at the Pal-Am convention this summer. What a grand group of people you all are!

It so happens that just last month my researcher in Germany finally documented the emigrant NY 1709ers Jost and Johannes Bernhardt in their ancestral German village after eleven years of searching! I was elated, because in the churchbook itself after an entry on Jost B. was the mention that he emigrated to the island of Carolina (an old term for the new world in general) in 1709! Also, the family nickname of Spielmann was given in the German registers (as it occurs also in colonial NY in the 1720's) - another tie-in that we have found the correct ancestral village. We also obtained pictures of the town, maps, etc. She will be going back to the village yet again within two weeks before the snow gets too bad to try and uncover even more on the family.

I find no connection with an Adam Barnhardt yet in my 17,000 documented family groupsheets; but many times in my experience an emigrant came in 1709 and was then joined later by cousins or whatever who emigrated in later years of the 1700's.

Let me know if you wish a report on this NY family (available in January after her second search at the village is completed).

Happy holidays!

Sincerely yours,

Hank Jones

Dear Ruth,
Perhaps you do not remember me..I am the wife of Gerald Weaver and you wrote to me in 1973 after the death of your mother Hazel Weaver Duffey and sent some clippings of the Weaver family. I am still working on the family history with still quite a few gaps here and there. I thought that I would take the liberty of writing to you to see if you could help with some of my questions.

1. Do you know anything about Gerald and Helen Weaver, children of William Henry Weaver(Wm. was a brother to Hazel)? Are they living or do they have children who are living?

2. In my records I have Marie Coursey Lucrezia, dtr. of Minnie Weaver as residing in Oklahoma City, Okla. and Laverne Coursey as residing in Little Rock, Ark. Do you have any current information on them?

3. Lettie May Weaver.. married Ed Haye.. I have no date of death for her or information on her chn. I believe her chn. were: Jacob, Vermil, Earl, and Glen..do any of them live around Polo? Addresses?

4. I also have listed a William Henry Weaver, born 1879 (an uncle to your mother.. no death date... also a dtr. Mary Lou Weaver who married Charles _________ and had three chn.????

5. Ann E. Weaver born 1849/50 married ________ Phelps.. last known address: Aurora, Ill. 1907 chn????

6. Margarett Weaver married ______ Moats. Chn: Louis who had sons Kenneth and Robert Moats.. still around Polo????

Will enclose a self-addressed stamped envelope in hopes that I will hear from you. Any information that you know about the Weavers and descendants would certainly be appreciated. I have corresponded with Ronald & Dorothy

Dear Lucy

Sorry I'm not too well versed on the Weavers - if Mother were living I'm sure she could help or Mabel Somsel. Her mother was a sister to Grandpa Weaver.

Marie Mc Manus is older and is a widow in Oklahoma so she might be of some help.

Are you a wife of Lyle or Floyd's son? - are their wives living? -

I have a daughter, adopted, who has two daughters Jennifer and Angela. She lives in Jacksonville Ill. teaches in the School for the Deaf.

We live in Polo, sold our farm and have retired. If you ever get near here please come see us.

Sincerely,

Dear Ruth,

Thank you for your prompt reply to my recent letter.

Most of my information about the Weaver family was obtained back in 1971 or 1972 from your mother Hazel, Mabel Samsel and Emma Weaver. We visited Polo with my mother-in-law and father-in-law Cevilla and Floyd Weaver. You inquired if Floyd and Lyle's wives were still living..Mom Weaver(Mrs. Floyd Weaver is going to celebrate her 78th birthday on 19 Feb. She lives in Defiance near us in a mobile home at 818 Moss St. She is very alert and in reasonably good health. Lyle and his wife Bess live on the east side of Defiance at 621 Summit. Lyle is 82 and confined to a wheelchair..Aunt Bess is 85 and still drives. My father-in-law passed away in Apr. 1973 very suddenly. It doesn't seem possible that it has been almost 7 years. Jerry's(my husband) brother Gene lives in Defiance. His sister Joan Weaver Palmer lives in Littleton,Col. where her husband is an executive with Johns-Manville in Denver.

I would like very much to compile a summary of the Weaver family in a booklet form. To do so, I will need the help of all descendants and the names and addresses of any Weaver descendant that I can get. Eventually I will ask (each) to submit an autobiography of information to place in the booklet. I am very appreciative of the address for Marie McManus.

You mentioned that Robert Moats will be visiting you in a few weeks.. if you could obtain some information from him on his mother and his family, I would appreciate it very much. Also would like to have his address for future reference.

Since I didn't have your birth-date..don't know how old you were when your grandparents James and Susan Weaver were living...can only suppose that you might have met them, since you lived in Polo and they died in 1935. My husband obly vaguely remembers tham when he visited Polo with his grandparents John and Louis Weaver. He was born in 1925, so he was very young when he saw them. Do you remember anything about them? Physical characteristics, etc.?

You must be very proud of your daughter. She has to be very patient and understanding to teach in a school for the deaf. I am a nurse and have worked for twenty five years in the Defiance County Health Department. Our daughter is a medical assistant.

Will enclose an outline of the Weaver family..I have more details of the family, but will reserve that until I can fill in more blanks. The numbers in front of each name represent the generation(for example your mother and my husband's grandfather John were in the third generation.. you and Floyd are in the fourth generation and each family is followed through to the last known generation).

Will be anxious to hear more from you, especially after you have had a chance to talk to Robert Moats. Thanks for the invitation to stop and see you.. we may get to Polo once again(if the cost of gasoline does not become too prohibitive).

Dear Mrs. McManus,

2 I obtained your name and address from Ruth Duffey Groves in Polo, Illinois. My connection with your family is as follows: My husband is Gerald Floyd Weaver, son of Floyd and Cevilla Weaver/ Floyd was the son of John and Louise Weaver/ John was the brother of your mother Minnie Alma Weaver Coursey.

For several years I have been compiling family histories and would like to get together all of the facts on the Weaver family. Any assistance that I can receive would be most appreciated. Am enclosing a brief outline of the names and dates of family members that I have. The numbers in front of the names indicate the generation(e.g. Minnie and John are in the third generation as are all of their brothers and sisters.. you are in the fourth generation with Floyd and each family is carried out to the last ganeration that I know.) You probably have children and they have children and most likely you have some great grandchildren.

I would appreciate any additional information you can send me on your family or any of the others that are listed there. Also any information on Hugh and Nancy Weaver or James Franklin and Susan Weaver. Any addresses of Weaver descendants that I might write to would be extremely helpful.

Before I prepare a booklet on the family history, will write and ask each one to submit a biography of their family for the booklet.

Enclosed is a self-addressed stamped envelope for your use in replying.

Sincerely,

Weaver

Dear Mrs. Weaver

Mrs. Ella Pool of Seattle, WA and also a friend informed me of your query in the Genealogical Helper.

I sorry to tell you I find no Nancy Barnhart--Ihave the DAR application of both John and Conrad Barnhart, which include all of their children. Conrad John and Peter (my line) were early residents of Cumberland Co. (Carlisle is the county seat), and assumed sons of Johann ADAM and Christiana Barnhart, Adam died in 1781, intestate, and without a clear title to the land. He like so many in the early days had a warrent for a survey, and never took a patent which is a clear deed to their land, so there is no court work to prove his children. Do have a tombstone inscription of a daughter Catharine, b. 26 Feb 1747, d. 28 Dec 1821, dau of Johan ADAM Barnhart. The sons Peter, Conrad and Johan were on the tax records of E. Pennsboro Twp., Cumberland Co. where Adam resided.

None of the names of the children of Nancy Barnhart Weaver are Barnhart names which have been carried down several generations of the early Barnharts in the area. Do you think she could of been from the Barnhart's of Frederick Co. MD. where there were 6 Barnharts listed in the 1790 census records, 2 in Washington Co. MD and 1 in Baltimore Co. The Barnharts are a hard family to trace genealogically, and as you can see from the enclosed letter I reprod. from the one I got from Hank Jones, been over here since 1709 migration, plus approx. 34 Barnharts, Bernharts, Bernhardts etc. which are listed in Strassburger/Hinkie PA German Pioneers which came thru the port of Phila. PA. I figure that Adam who died in 1781 was born about 1722., Hank Jones is documenting the first 3 generations of the 1709ers, and if Adam ancestor came in with the group he should of been listed.

Again I am sorry that I find no Nancy Barnhart in the DAR application of Conrad or John or in the records of St. John's Lutheran (Peace) Church that the Barnharts attended and where the daughter Catharine is buried.

Dear Mrs. Suttles,

Thank you for your recent letter re: BARNHART GENEALOGY.

Dear Mary Lou,

Recently Kitty and Wayne Weaver of Freeport, Illinois visited us and while they were here we discussed the WEAVER family history which I have been in the process of compiling for several years. Kitty suggested that I contact you for further information. I am married to Gerald Floyd Weaver, son of Floyd Edward Weaver/son of John Weaver/son of James Franklin Weaver/ son of Hugh A. Weaver. I understand that you are the daughter of William Henry Weaver, who was the son of David Henry Weaver, son of Hugh A. Weaver. Anything that you could give me regarding your particular branch of the family or others would be particularly helpful. Also addresses of older relatives that I might correspond with.

To make the process a little simpler I will enclose some worksheets for your family information and a brief outline of the family information to date.

So far have not been able to trace the family back beyond Hugh Weaver since Weaver is a more common name than I had figured on.

My husband was 55 years of age yesterday. His mother is living at the age of 78 and his father died in 1973 at 72 years of age.

If yuu can assist me, I would greatly appreciate it. Would like very much at a future date to publish a brief family history.

Sincerely,
Lucy

Dear Lucy,

While cleaning my desk drawer I found a letter from you - Am wondering what questions I answered.

Louis Mosts parents were Margaret Weaver Married to Ira Mosts - she was a sister to Grandpa (James) Weaver.

Louis had Kenneth who had son Robert - who has 2 children Gary (who is spastic) and Christa Married to a Merdian - she has two children. Roberts ex wife Eleanor Mosts could give you their names - her address is 601 E. Colden - Polo.

Louis sons Robert had none

Donald lives near Chicago - I do not know about his family but Eleanor may know about them.

I was born Oct. 15, 1914 — if I haven't answered other questions let me know — I hope to answer in less than a year next time.

Wayne Weaver is very ill in Madison hospital — they didn't expect him to live this long — stroke. I feel real bad — he was such an angel to my mother — and many other people.

Since my husband retired we have been having a lovely time — so nice to be able to have some time to smell the flowers.

Sincerely,
Ruth

I am researching the Mundy family and my gr. grandfather John A. Mundy married Rena Barnhart Shelhart. (Her first husbands name was William Shelhart.) They were married in October of 1889 in Montpelior, Ohio. Rena was b. 14 Sept. 1863. I have not been able to discover who Renas' parents were, and I am hoping that you will help me. If you have any information that will aid me in my search, I would be most appreciative.

Thank you for your time.

Dear Pat,

In catching up on my unanswered correspondence, I came across your letter of inquiry re: Rena Barnhart Shelhart. Sorry to be late in answering, but several members of my immediate family have been seriously ill and I did not have time to write.

I am afraid that I have nothing to offer as to who Rena's parents were, ..my BARNHART information is seriously lacking. My husband's great grandmother was Nancy BARNHART Weaver, born December 1821 in Cumberland County, Pennsylvania. She married in 1840 Hugh Weaver. They eventually moved to Hagerstown, Md. and then Polo, Ogle Co.,Ill. where both died. I do not know Nancy's parents' names(only that they were born in PA) nor the names of any brothers and sisters.

I searched through my BARNHART correspondence to see if a Rena was listed, but could not find that name. My correspondents have been:

Dear Ms. Halsey,

In the March/April 1982 issue of the GENEALOGICAL HELPER, on page 142, you had a listing in the computerized "Roots" Cellar for BARNHART, PETER , born 1822 Cumberland County, Pennsylvania. The listing drew my attention, since my husband's great grandmother NANCY BARNHART was born 17 December 1821 in Cumberland County, Pennsylvania. I do not know the names of her parents, except that they also were born in Pennsylmania. In 1840 in Pennsylvania (county unknown) Nancy was married to Hugh A. Weaver. In 1840 they moved to Maryland and in 1846 to Polo, Ogle Co. Illinois. Nancy died in 1907 in Polo.

In the 1850 and 1860 census, Nancy was listed as Ann. In 1880 the census gave her name as Nancy. Her obituary says Nancy C.

The children of Nancy BARNHART and Hugh WEAVER were: James Franklin; Charles A.;(twins)- Sarah; David Henry; Ann E.; Alfred; Mary; Margaret; Lucy; Clara; Fannie.

I have enclosed a self-addressed stamped envelope for your reply. Do you see any connection with your Peter BARNHART in Cumberland Co, PA? Perhaps you could send me a brief summary on your Barnharts. I have correspondence from others searching BARNHARTS and even if there is no connection between Peter and Nancy, there might be a link with the other BARNHART information that I have received.

I would appreciate hearing from you.

Sincerely,

Mrs. Gerald F. Weaver

Dear Lucy,

I saw your ad in the July/August G.H. I also am looking for Barnharts.

My Michael Barnhart was born about 1812 I don't know where. He married Harriet Rall of New York and was in Williams Co. Ohio in 1860. His son John Alexander is my gr-grandfather. I know no more at this point on Michael but he was a Shoe and ~~S[illegible]~~ Boot Maker. I'd like to find his family.

Ironically John Alexander married Eliza Hadissa Bear whose sister Mary Jane Bear married a Daniel Weaver. Somewhere I have the Weaver boys parents names. Rumor has it they were all United Brethren by Religion from PA.

I'd like to hear from you if there is any chance of a link between the families.

Thank you for your time.

Dear Mrs. Weaver,

While looking through back issues of the Helper, I noticed that you are researching the name Barnhart in Pennsylvania.

I have recently received some information from a fellow researcher on my Zillafro line that names my Great-Great-Great Grandmother as Catharine C. Barnhart Zillafro, daughter of Jacob Jr. (1776-1838) & Anna Maria (Spangler) (1778-1861) Barnhart of Donegal Township, Butler County, Pennsylvania.

Have you ever seen these names in your research? I would appreciate any information you may be able to give me and would be glad to share with you any new information I may acquire in my search.

Enclosed find a self-addressed, stamped envelope for your convenience. Thank you.

Sincerely,

Please accept my apologies for answering your letter of Dec. 8 so late. Due to the hospitalization and illness of my father, I am behind on my correspondence.

I looked through all of my Barnhart correspondence for Catharine Barnhart Zillafro and did not come across the name, although when I first received your letter, I was sure that the name Zillafro was familiar. Dear Mrs. Weaver

I am researching the Barnhart line. my gr. grandmother was Rena (Sirena) Barnhart Shelhart b 14 Sept. 1863 in Ohio. She died 31 May 1898. She m. my gr. gr. John Allen Mundy 19 Nov. 1889 in Montpelier, Ohio. I believe Rena's father was William Barnhart b ca. 1821 in Penn. His father might have been George Barnhart b. 8 May 1786 in Pa. William may have had brothers Michael & John. I believe William married Elizabeth Babe b. ca 1823 in Penn. They were m. 10 Nov. 1842 in Seneca Co. Ohio. Does any of this sound familiar to you? I would appreciate any info. you can give me.

Dear Pat,

I received your letter of April 19, 1983 re: Rena(Serena) Barnhart. I don't believe that I can be of much assistance to you.

My husband's great grandmother was Nancy C. Barnhart, who was born December 1821 in Cumberland Co., Penn. She married in 1840 in Penn. Hugh A. Weaver. They eventually moved to Hagerstown, MD. and then to Polo, Ogle Co.,Ill. where they both died. I do not know Nancy's parents names..only that they were both born in Penn. I do not know the names of any of her brothers or sisters.

I searched through my previous BARNHART correspondence and could not find any mention of Serena. I will keep your letter on file for future reference. Thank you for your correspondence. Barnhart and Weaver seem to be two of my most difficult names to research since it seems that Pennsylvania was loaded with both names.

Sincerely,

BARNHART

Dear Mrs. Weaver,
Your letter of September 6,1985 was turned over to me couple days ago.The Ogle County Genealogical Society does not have a genealogist.Iam the only one in Ogle County that does research.Iam rather limited to what I can do because of a stroke in 1984.I no longer do court house research or micro-film reading at the libraries.
I have my own research library which is open free to the public each day and I answer quiery letters from my office.
My files are kept active at all times and I have a cross index.At this time,on the cross index,is Chris Harmon, 114 East tenth St. Dixon Illinois 61021,who has a Weaver married into the Harmon surname all from Ogle County.You can write to her if you want to.She does a lot of work for me and Iam sure she will answer your letter.
You might try writting to Karen Scholl,% Buffalo Township Public Library,Polo Illinois 61064.The library there has old newspapers going back to the 1870's on micro-film.She might could find obituaries.I did not find the burials for Hugh Weaver in Ogle County,although I did find a burial for one of his daughters.The Hugh Weaver I found in Ogle County,wife name was Ann and you have it listed as Nancy.Where did the Weaver go when they left Ogle Co.?
I searched through all the books etc. in my library and enclosing what I found on the surname Weaver.It may or maynot connect with your family.
Iam enclosing a family lineage chart.Would you fill it in and return to me for my library file.It will help a lot to have more information to work with.Iam wondering if George,Isaac and Hugh could of been brothers?

I note that the daughter was buried at a Brethren Cemetery, you could write to Church of the Brethern,41 Hamilton, Elgin Illinois 60120 for church records on the family.I also noted that most were listed as being members of the Methodist Church.You can write to United Methodist Church 501 East Capital Suite 230 Springfield Illinois 62701 and see if they would have records on your family.

I hope I have been of some help to you.

Sincerely

Dear Doris,

First of all, I want to thank you for taking the time to type all of the information on the Weaver Family and to respond to my letter of September 6 to the Ogle County Genealogical Society. If everyone responded as quickly as you did, it would make genealogy much simpler and more rewarding!

Thank you also for supplying the mames of Chris Harmon and Karen Scholl. I plan to write to them also.

For the life of me, I can't figure out why Nancy Barnhart Weaver was listed as Ann in the 1850 and 1860 census as Ann and then as Nancy in the 1880 census and in her obituary, I see also that the burial of Mary A. Weaver says dtr. of Hugh and Ann. Her obituary also lists a middle initial of C... so that would rule out a middle name of Ann. By coincidence before I knew about Ann or Nancy Weaver, we named our dtr. Ann!

I completed the family lineage charts for you and typed some additional information on the backside and another sheet. You mentioned Isaac as possibly a brother to Hugh. Hazel Weaver Duffey (when I questioned her in 1971 about the name of Hugh's father..kept mentioning the name Isaac)

Another possible connection is that Abraham Weaver and George Weaver were born in Washington County, Maryland. My husband's Weavers had connections with Hagerstown, Washington Co.Md.

The James Weaver listed in Pinecreek Twp. aged 43 has aroused my curiosity. He would be about 9 yrs. older than Hugh..was also born in Pa. and interestingly enough, Hugh named his eldest son James. James and Hugh both had sons Charles A. born at the same time.

Of the Weaver names you sent from the Polo telephone directory, I have corresponded with James R.(Ronald) and met them on a trip to Polo in 1971. James R. and Max are brothers and are related..being the sons of Elmer(son of James F. & Susan) The only other descendant in that area I am told is Ruth Duffey Grove, dtr. of Hazel Weaver Duffey. Ruth has sent me all of the information that she could, including Nancy Barnhart Weaver's obituary.

The Mary A. buried in Pinecreek Twp. solves the mystery of the 12th child of Hugh and Nancy. There was another Mary listed as a twin, born in 1853..but I suspect she died in infancy and later the child born in 1869 was named after her. A practice often followed by families in earlier days.

I have sent in membership dues for my husband in the Ogle Co. Gen. Soc..along with his ancestor chart..just in case someone in the society might be working on the line.

In 1971, my husband and I and his parents visited Polo and swveral of the older relatives who were still living there. One of those was a Mabel Samsel, a maiden lady in her 80s. Mabel corresponded and sent data, but she died a few years ago. The descendants living today have been unable to help much.

Evidently Hugh and Nancy must not have a tombstone.. if they are buried in the Reed Cem. Still can not understand why there are no death certificates for either of them.. especially since it is known that Nancy died in Polo at her son's home. Hugh may have died elsewhere.

You did not mention a fee for the information that you sent. Please advise if there is one. If not, I can only thank you and will enclose a dollar to cover the postage.

Sincerely,

Lucy Weaver

Dear Karen,

Your name was sent to me by Doris Vogel. She thought that you might be able to assist me since you have old newspapers on micro-film at the library.

My husband's great grandfather Hugh A. Weaver, reportedly died in 1898. This year was given in the 1907 obituary notice for Nancy Barnhart Weaver. I have sent to the Ogle Co. Clerk and to the State of Illinois for the death record of Hugh Weaver. Perhaps there is an obituary notice in one of the old newspapers 1898 for Hugh. I do not have a month or day..perhaps this makes it totally impossible for you to find !... I also can not find a tombstone for him or a will or estate record, although he resided since 1846 in Polo, Ogle Co.

I am hoping that a death certificate or an obituary will give the name of Hugh's parents. He was born in Pa. and was married in Pa. With Weaver being such a common name in Pa...it is like looking for a needle in a haystack.

I am enclosing a self-addressed stamped envelope for your reply. Any assistance that you can give me will be deeply appreciated.

Sincerely,

Lucy

We could not find an obituary in the Polo newspapers. We are enclosing the only information we found. We will keep the name and information you sent on file.

October 20,1985

Dear Lucy Weaver,

Thank you for sending the family charts and also thank you for the two dollars. I do not charge for doing research but I do except donations which is used for my genealogical research library.The library is open free to the public each day.

Could it be possible that Nancy Barnhart is a second wife to Hugh Weaver? Ann being the first wife.

Iam somewhat behind on my work so I do not have your charts crossed indexed as yet.Sometimes when Iam cross indexing,I find others working on the surnames.If this should happen I will let you know.I also keep my files active at all time.

I rechecked the Reed Cemetery Index but the only Weaver listed was Charles and his wife.

I started the Ogle County Genealogical Society in 1979.I worked with it for four years but the person that took charge after me rather let it desolve.One of my friends will take office,in it,next January and hopefully she can bring it back together again.This month was suppose to be the last meeting but she hopes to keep it going for another year.

I hold offices in my DAR Chapter and also The National Society Daughters of the War of 1812 so Iam kept rather busy with that, my library and answering the quieries.So I don't think I will return to the Ogle County Genealogy Society as an active member.I do hope that they can be of some help to you.

Thank you again and I will keep searching.

Sincerely
Doris Vogel

Lucy Weaver -

Received a family group sheet from Everton's in Utah & your name & address was on it -

Im interested in the Barnhart family & am wondering if you have any infor- on Nancy C. Barnhart's family?

Name of her parents - brothers & sisters & etc -

Do believe my Barnharts were in Greene Co in 1850s but not sure where they were born - George W. Barnhart - my great great grandfather m. Susan Groves c 1842 -

Since records back that far are so hard to come by - thought maybe Nancy could possible be related.

Will be waiting to hear from you -

Dear Ms. Weaver,

Your ad appeared in the Genealogical Helper in 1982 (July-August) so perhaps your address has changed by now.

I am interested in what connection, if any, there might be between your Nancy Barnhart, (b 17 Dec. 1821, Cumberland Co., Penn.) and my great-grandmother, Elizabeth Ellen Barnhart Baxter (b. Jan. 27, 1848) who married Lyman Miller Baxter (b. Mar. 25th, 1848) on Feb. 19, 1867 at West Jefferson, Ohio, Williams Co.

So far, the only information I have about Elizabeth Ellen is her birth (date, not place), marriage, and death as recorded in the Baxter family Bible; her obituary from the Bryan paper, and her picture on which an elderly relative noted, "Died of cancer. Had to take morphine". (d June 17, 1890)

I don't know anything about Elizabeth Ellen's parents etc. I have only recently begun a serious search for my Barnhart and Baxter relatives. The search centers

around Williams Co., and I recently joined the Williams Co. Genealogical Society.

Because of my membership in WCGS, I heard from a man in Madison, Wisconsin named James King Adams who has also begun searching for his Barnhart ancestors. Jim's mother, Kathryn Jane (Kate) Worley lives in Defiance also! She remembers Hart-Barnhart relatives' reunions at the farm of ~~and~~ "Aunt Hattie" (a.k.a. "Aunt Tus") Barnhart who never married. Jim is descended from Catherine Barnhart Worley, twin sister of Hattie.

His genealogy starts with a German Michael Barnhardt in Penn. John B. Barnhart was the son of Michael. He married Margaret Hart in 1847 in Seneca Co., Ohio (We think that a Michael Barnhart (b. 1819) + William Barnhart (b. 1820) were brothers of John B. All 3 men married in Seneca Co.) Catherine Barnhart Worley is the great-grandmother of James Adams. Her parents were John B. + Catherine.

I think I may possibly be a descendant of one of the 3 Barnhart men who married in Seneca Co. This is just a hunch.

ween Williams Co., and I recently joine
e Williams Co. Genealogical Society.
Because of my membership in W.C.G.S. I
ard from a man in Madison, Wiscon-
named James Kenny Adams who has also
years searching for his Barnhart ancestors.
his mother, Kathryn Jane (Kate) Weeks, his
Weeks also! He remembers Hart-Barnhart
ilies' reunions at the farm of our "Aunt
ttie" (a.k.a. "Aunt Tina") Barnhart who never
married. James is descended from Catherine
rnhart Gridley, twin sister of Hettie.
The genealogy starts with a German Michael
rnhardt in Penn. John E. Barnhart was the
n of Michael. He married Margaret Hart in
47 in Seneca Co. Ohio (We think that a
chael Barnhart (b. 1819) + William Barnhart
1820) were brothers of John E. All 3 men
arried in Seneca Co.) Catherine Barnhart
dley is the great-grandmother of James
dams. Her parents were John E. + Catherine.
I think I may possibly be a descendant
one of the 3 Barnhart men who married
in Seneca Co. This is just a hunch.

This month Jim Adams visited Ohio and was lucky enough to find a Robert Barnhart and his father, Lister. They are the great-grandson and grandson of George Barnhart — brother of Catherine and Hattie. Robert now lives on Aunt Hattie's farm which is about 4 mi. west of Kunkel.

My great-grandmother, Elizabeth Ellen Barnhart, according to her obituary, was a member of the Disciples Church (Apparently the Christian (Disciples of Christ) denomination with which I am also affiliated) and was buried from the Blakeslee Union Church. I have not been able to locate the church or her grave. Her husband, Lyman Miller Baxter is buried in the cemtery at Edon, O.

Would you please let me know what connection, if any, you have with the Barnharts I have mentioned?

Sincerely,

Dear Sherry,

In response to your letter dated May 28, 1992, re: BARNHART FAMILY, I am enclosing the family group sheet(s) for Nancy Barnhart Weaver. I am sorry that I have no information on her parents or siblings. I only know that she was born in Cumberland Co.,PA. There are lots of Barnharts in that area, when you look at tax and land records for the 1820s. So far, have been unable to connect her with any of them.

You may wish to correspond with Pat Mundy Moburg, 1851 Wamplers Heights Drive, Brooklyn, Mi 49230. She wrote to me in 1983..She says(My gt. grandmother was Rena(Serena) Barnhart Shelhart b. 14 Sept.1863 in Ohio. she died 31 May 1898. She married my gt.gfr. John Allen Mundy b. 19 Nov.1889 in MONTPELIER,WMS.CO.OH. I believe Rena's father was Wm.Barnhart b. 1821 in Penn. His father might have been Geo. Barnhart, b. 8 May 1786 in Penn. William may have had bros: Michael & John. I believe William married Elizabeth Babe b. circa 1823 in Penn. They were married 10 Mar. 1842 in SENECA CO., OH.)

Other correspondents are: Janet Macke, 9799 Marino Dr., Cinci,OH. 45239 she was looking for Catharine C. Barnhart Zillafro, dau. of Jacob Jr. (1776-1838 and Anna Maria Spangler Barnhart 1778-1861 of Donnegal Twp., Butler Co., PA.

Other one of special interest to you: Mary Lynne Farrell (Mrs.) 4222 Circle view Dr., Williamsburg,MI 49690 who says: My Michael Barnhart was born about 1812..he married Harriet Rall of New York and was in Wms. Co.O. in 1860.

Another is: Mrs. Wm. M. Bonham, 833 Hamilton St., Carlisle, PA 17013

Another is: Kathleen A. McMurty, 887 Josephine St., Monmouth,OR97361

I hope some of these people can be of help to you. Will keep your correspondence on file for future reference.

Thanks for being patient with me. I was going to answer your letter the same day I received it, but June has been a really busy time for me.

Sincerely,

Dear Lucy,

Thanks much for all the information that you sent with your March 16, 1993 letter. It's possible that back in Cumberland County, PA, there is a BARNHART connection between our lines, but don't know at this point.

Keep your eyes peeled for my Michael and Catharine BARNHART, I'll remember your Nancy (or Ann) in my research.

I sent a letter to Dan Ducatt. I remember him: he lived on Latty St., and I lived on Jefferson at the corner of Cedar St.

Best of luck in your search.

Dear Tim,

Thank you for responding to the name BARNHART in the Jan/Feb 1993 Genealogical Helper "Computerized Root Cellar". I am sending you the family group sheet on Nancy Barnhart Weaver. I do not know her parents' names...only that she was born in Cumberland Co, PA. She also was a member of the Lutheran Church.

It was interesting to me to see that your Charlotte Barnhart was married in Franklin Co, IN. and died in Laurel, Franklin Co.,IN. Laurel is such a small place and although not connected with the Barnhart name, my great grandfather Herman B. Rulmann, Sr. owned the Laurel Wreath Flouring Mills in Laurel,IN. The mill, which burned down about 1886, was pictured in the Franklin County, IN. Atlas.

I don't think my family group sheet will be much help to you, but please keep my Nancy Barnhart in minde as you do your research. I will keep your Charlotte, Thomas, etc. on record for future reference.

You may wish to write to: James K. Adams, 4025 Paunack Ave., Madison, WI, 53711-1624, who also is researching Barnharts. His address is current. Other addresses I have that are not current, but worth a try:

You may wish to select Mrs. Clyde Mounts as a correspondent, if you don't write to all those listed. She had Barnhart connections in Columbus, OH. and in IN.

Let me know if you hit paydirt.

Thanks again for writing!

Haven't got information for you on Mark + Julie's family tree! They just told me I'll be a Great Grandma in May. Won't that be nice!

Dear Lucy + Jerry,

Thought I'd get a few lines written to you + send Map's obituary as he passed away on Sept. 4th (Sat.). Ronald got him transferred from a Dixon Nursing Home to the Polo Nursing Home. Then he fell + broke his upper arm + seemed to go downhill after that + they took him back to the hospital on Thursday or Wed. as legs had filled up with fluid + he was in Pain, so only in the hospital a few days before he passed away he had a heart attack then. Ronald is pretty good + glad he doesn't have to suffer any more.

He just called me + he fell in the bathroom a few days ago + cut his head, had to have stitches & will get them out on Tuesday. Then they are leaving for their army reunion somewhere in the east, maybe it's in Pa. Another Polo couple go with them & he will help Dorothy do the driving. Ronald needs a vacation as Map's condition kept him upset all the time. When they get back, they will have to get things ready for a sale of personal things (household) & then the property as have all the funeral expenses to pay.

I'm having a lot of stomach problems & bowel & digestive problems also.

Hope all is O.K. with you two.

Love to all,
Kitty

Ruth Groves was there bossing everything! She can be a difficult woman!

Dear Mr. Moats,

My husband and I recently visited in Polo with Ruth and Earl Groves and Dorothy and James Ronald Weaver. Your name was given to me as a possible contact re: the Moats Family, who are descendants of the Weaver Family through Margaret Weaver Moats. My husband is descended: Hugh A. and Nancy Barnhart Weaver
James Franklin and Susan Samsel Weaver
John And Louise Jensen Weaver
Floyd Edward and Cevilla Lenhart Weaver
Gerald Floyd and Lucy Rulman Weaver

I thought that I would take a chance and write to you to update my listings on your particular branch of the family. Eventually I would like to put together a book on the Weaver Family with photos etc., but I don't want to do it until I get all of the information updated.

I will enclose the family group sheets for your branch. You may either keep these or write on these and send these back, if you find that easier.

May I ask you these questions?

1. Do you have a birth and death date for Ira Moats?
2. Do you know who Ira's parents were?
3. Where is Ira buried?
4. What was Ira's occupation?

5. Do you have Margaret Weaver's death date?
6. Where did Margaret die?
7. Her cause of death?
8. Where is she buried?
9. Do you k~~n~~bow a more complete date of birth for her?

10. Lewis Moats..date of death?
11. Cause of death?
12. Anna L. wife of Lewis..maiden name?
13. More complete dates for birth and death?
14. Date of marriage?

15. Robert Moats, son of Lewis..any birth, death dates, places, wife's name, any chn?
16. Donald Moats, same as above.

17. Your father Kenneth...middle name?
18. Birth date? where?
19. Death date? where? cause?
20. Your mother's maiden name?
21. Complete birth date? place?
22. Complete death date? place?
19. Death date? where? cause?
20. Her parents?

21. Your birthdate? place?
22. Married to? when?
23. Do I have your children's birthdates correct?
24. Richard Lee's birthdate? place of death? cause?

25. Christa's marriage date?
26. Dates for her husband's birth etc.
27. Any chn...birthdates?

Any data on occupations of the various Moats Family members or special talents such as music , art, etc. would be appreciated.

My husband and I are both retired. I have been working on family history since 1971..but now can devote more time to filling in the blanks. Jerry, my husband sold cars and I am a registered nurse, having worked for the Defiance Co. Health Dept. for 36 yrs.(the last 14 as Health Commissioner). If we had had more time on our recent trip, I would have called you for an ppointment.

Will be glad to send you a copy of the finished material, so that it can be passed down through Christa's family.

I always ask about causes of death and other pertinent illnesses, because I consider these important facts to pass along. Cancer seems to be a leading cause of death among the Weavers. Jerry's father had adenocarcinoma of the bowel plus leukemia and his grandfather John had cancer of the rectum. Ruth Groves told me that her mother had cancer of the muscle and that she Ruth has had cancer of the thyroid. Ronald Weaver had cancer of the prostate.

Please forgive me for asking so many questions, but any assistance that you can give me will be greatly appreciated.

P.S. Forgot to ask about Nellie, dtr. of Ira and Margaret..any data on her?

Did you know a Gerald Weaver and his family who lived in
Dixon? He had a sister Helen Weaver Snook...but I have no idea about their descendants or any addresses to write to.

Thanks.....

Sincerely,

Lucy M. Weaver

Dear Lucy;

I can help you with the Phelps and Noats families. Abram Poole married Racael Phelps. Their granddaughter Norma Poole the last in the family after she died we got a box with different Phelps papers etc in it. There were several sheets of paper with family history going back many generations.

I do know something about the Noats family I could send you. Our farm includes what was the Noats land in our abstract it has the will I believe of Samuel Noats. From another source I know that Lucy Reed a daughter of Samuel Reed I married George R. Noats after he died in 1835 she married Albeon Sanford.

Let me know what you want and I'll send it to you. I could also look up the obituaries of the other.

Sincerely

Dear Mr. Poole,

Thank you for your kind letter and offer to help with the **Phelps** and **Moats** Families. Sorry to be so late in getting back with you. I am enclosing Family Group Sheets for the **Walker** and **Ann (Weaver) Phelps** Families. I don't know when **Ann (Weaver) Phelps** died. Perhaps there is an obituary for her in the Polo newspapers. She was still living in 1907, because she was listed in her mother's obituaries. Evidently this **Phelps** family moved to Aurora, IL. I don't know anything about the descendants. Anything that you might have relating to **Walker Phelps** would be helpful. I also am enclosing Family Group sheets for **Ira** and **Margaret (Weaver) Moats**. I don't know when either of them died. Also if you know anything about the descendants of **Ira** and **Margaret**.

I don't seem to be getting very far on my husband's **Weaver** connection..so thought I would try to get more details on the children of **Nancy** and **Hugh Weaver**...thus my query in the newsletter re the **Phelps** and **Moats** connection. Some of the **Weavers** are buried in the Reed Cemetery (you mentioned **Reed** in your letter) and others in the Polo and Buffalo Grove Cemetery.

We have visited Polo over the past few years and talked to **James Ronald Weaver**, who lives there. Also talked to **Mabel Samsel** when she was still living.

Any information you can send, I will gladly reimburse your postage and copying costs. I do appreciate your taking time to write and your generous offer.

Hoping to hear from you in the future.

Sincerely,

Lucy M. Weaver

Dear Ms. Weaver,

I am responding to your inquiry in the Ogle County Illinois Genealogical Societies news letter.

As a relative of the Moats family, I do have some information about them.
Hugh Weaver's daughter Margaret was married to Ira B. Moats. And, I believe, Alfred may be connected to me through the Thompson family.

If I can be of help please drop me a line.

Dear Mr. Schryver,

Received your letter in today's mail. Was so pleased to receive a response to my query in the Ogle Co. Newsletter. You mentioned that you are a relative of the Moats Family and that Alfred Weaver might be connected to you through the Thompson Family. Will enclose Family Group sheets for the Hugh A. Weaver Family, Alfred Weaver, Margaret Weaver Moats, Lewis A. Moats, Kenneth G. Moats, Robert L. Moats, and Christa Lynn Moats.

Questions:
What was Alfred Weaver's wife's maiden name?

Is my information correct that Alfred and Hannah had no children?

Were Lewis and Nellie Moats, the only two children of Margaret and Ira?

Was Nellie Moats married? What was her husband's name? Were there any children? Their names?

What was Lewis Moats wife's maiden name?

Were Kenneth, Robert and Donad the only children of Lewis and Anna?

Is Robert L. Moats the only child of Kenneth and Madeline?

Does Christa Moats Merdian have children?

I believe that I have written in the past to Kenneth Moats and to Christa and not received any reply.

Any answers to the above questions or any additional information that you can give me would be greatly appreciated. Will enclose a self-addressed stamped envelope for your reply.
Will be glad to reimburse you for any expenses incurred in copying the information.

Sincerely,
Lucy M. Weaver

Dear Ms. Weaver:

I ran across your name in the Ogle County Genealogical Society. I see that you are researching the surnames Weaver and Haye. I am researching the name Haye, also. Mine is Edward Haye that married Letta Mae Weaver. As far as I know, Letta Mae is the daughter of James Weaver and Susan Samsel. Do you know when Letta Mae Weaver was born? This is all the information that I have on the Weaver and Samsel, but if you have any information on the Haye, I would appreciate hearing from you.

I have enclosed a self addressed stamped envelope for your reply.

Thank you for your cooperation.

Dear Mr. Sweeney:

Received your letter today re: **Haye-Weaver** . I am enclosing a family group sheet for Lettie and Edward Haye. Yes, I have the birthdate for Lettie, and she is the daughter of James F. and Susan Samsel Weaver. My Haye children's names came from a Weaver relative I believe. Don't know if the names are accurate or not . In the obituary of Mrs. Hugh Weaver(mother of James Franklin Weaver, a Jacob Haye was listed as a pallbearer, but Lettie's children would have been too young in 1907. Do you know who Jacob Haye was? Do you have any more data on Lettie and Edward's children? Or birth and death dates for Edward? Or deathdate for Lettie? How are you related to Edward Haye? In the obituary of John Weaver(brother of Lettie), Lettie Haye was listed as a surviving sister in Oregon, Illinois(Jan. 1954).

My husband Gerald Weaver's father was Floyd Weaver(1900-1973), his grandfather was John Weaver(1874-1954), his gt. grandfather was James Franklin Weaver.

I thought if I branched out and listed some of John Weaver's siblings married names, someone out there would respond and sure enough it has helped. I heard from others who are related through the Moats family and now today, I received your letter on the **Haye** connection.

Will also include a family group sheet on the original James Franklin Weaver Family, and a self-addressed stamped envelope for your reply.

Hope to hear from you soon and I do appreciate receiving your nice letter.

Sincerely,

Luyc M. Weaver

Dear Mrs Weaver,

Thanks for the sheets on the weaver family.

Im sending you the information I have at present. I hope it is enough to enlighten you a little. As I do research into and correspond with several families some of my information is limited.

I haven't had time to dig further into Alfred's wife Hannah thompson yet and Robert L. Moats is reluctant to give me information on his family.

I do expect to accomplish these things in the future however.

I do have more information on the Moats side if you are interested or I can give you the name of my Moats contact.

As I dont have either typewriter or Computer my hope is that you can read this stuff.

If I can be of further help please keep in contact.

Sincerely
Lyle Schuyner

Dear Mrs Weaver,

It's with sadness that I send you this obituary. Robert Moats has promised to sit down with me for an interview on his family, however I'm sure he didn't intent I receive some of my information this way.

I never met the lady and Bob didn't tell me she has had cancer for several years now. I wish I had gotten to meet her.

As I have mention before I will send you family history on Robert + family as I get it.

Sincerely
Syd

TRIP TO DIXON, POLO, WARREN, ILLINOIS 1993

SUNDAY JULY 11, 1993 Left Defiance at 9:05 a.m. Odometer reading 34749.

Drove 1987 red Cadillac. Took Rt. 18 through Hicksville then turned off to go through Grabill, where we looked into our shop window to see if anything had been sold. From there, We went on into Fort Wayne, where we stopped at Arby's for breakfast. Jerry had a sausage biscuit with gravy and I had a ham and cheese croissant.(10:12-10:42 a.m.) Read the ads and discovered that Target had some items that we wanted. Charged $22.95 at Target. Left there at 11:15 a.m. At 1:25 p.m. stopped in Merrillville, IN at Arby's, where we spent $2.08 for roast beef sandwiches(had pop in our cooler) Left there at 1:55 p.m. on Rt. 30.

2:17 p.m. 34934 Illinois stateline. Rt. 30 very slow and congested.

4;10 p.m. stopped in Aurora, IL. wrote off Phelps and Misner names from the telephone book. Hit toll rd. 88 40cents..Dekalb 95 cents and 70 cents @ Dixon.

6p.m. 35071 (322 miles) reached Dixon, bought gas at Clark station 14.8 gal $14.92. Ate at Arthur's Deli: $6.32..ham and cheese sand. bak. pot. 2 coffees, later had sundae, milkshake and 2 coffees @ Mc Donalds...$2.10.
Stayed at the Super 8 Motel $43.57.

##

MONDAY JULY 12, 1993 Had a continental breakfast at the motel. Drove on into Dixon where they had an archway over the road and bright pink petunias planted along the streets. About 9:10 a.m. drove through Chapel Hill Cemetery..bronze markers..large cemetery, so we did not locate Wayne Weaver's grave nor the Gerald Weaver of Dixon.

Went to the courthouse. They had James and Susan Weaver's marriage record on file, but it had nothing on it but their names and the date. Did not buy the $7.00 copy. Copied birth records from the birth index on the counter. From the courthouse, called **Julia Schaeffer**. (She was busy packing boxes to move, but invited us out anyway). Drove to her home in Forest Park Addition..Northeast of Dixon. Ed retired and they have built a home in Lady of the Lake, Fla. He will retire Sept. 30, but are moving out of their home in two weeks, since it has been sold. Will rent an efficiency apt. in Sterling until they go to Fla. Julia looked about the same, except she has blonde hair. Their home was nice. The people who bought it came while we were there.

Ate at Hardee's after we left Julia's.

Went to Reagan's boyhood home, which we went through. Took 2 photod there and one of the Dixon archway. Sent Mark and Ryan a postcard of Reagan's home.

Went on to Polo, IL., where we rented a room at the Village Inn Motel on the edge of town. $32.88. Room was very clean..not fancy.

Drove out to Fairmount Cemetery and looked at index cards for Weavers at the cemetery office. Went downtown and ate supper at Mason's Family Restaurant. I had a fish sandwich and Jerry had B.L.T.

Went over to Ronald Weaver's on Elkhorn St. They were home.(Dorothy now works at Dixon Hospital in the insurance office). Ronald is 70, uses a cane, has had two strokes, prostate cancer, testicle removed, and fractured hip. They told us that David Weaver, son of Kitty and Wayne had a heart attack in March(age 45). They called Ruth Duffey Groves and then took us over there to visit. Ruth and "Abe" built a new brick ranch home on Wayne St. Visited with them..Ruth gave me a few clippings and Nancy McManus Johnson's address. Took a couple of photos there outside in their rose garden. They showed us through their home, which

is very nice. Ruth told us that she had been treated for cancer of the thyroid and that her mother had cancer of the muscle in her leg. Abe had cancer of the prostate, which he receives a monthly shot for(supposed to keep it arrested). Dorothy had ca of uterus back in 1978. Out of six people at that house, five of us had had a bout with cancer! Left the Groves and returned to the motel. Ron said he would meet us for breakfast at 9:00 a.m.

##

TUESDAY, JULY 13, 1993 When we arrived at the restaurant(Mason's again). Ron told us that he had called Kitty Weaver to come over from Freeport and have breakfast with us. She arrived and Jerry bought the breakfast. From there we took our car and all of us went out to buffalo Grove Cemetery..out Milledgeville Rd..saw Max's house(Max is Ronald's brother and he was to be admitted to the nursing home..he is 80 and his wife died last Dec.)..At Buffalo Grove we found the plaques in the ground for James Franklin and Susan Weaver which are located as you go inside the gate to the right and under a peony bush. The plaque for James was loose. Also found Alfred Weaver's stone and some for the Moats family. would have liked to look some more...from there we went to Reed Cem...found Lucy Ann Weaver's stone..didn't spend to much time there. Know that Hugh and Nancy Weaver are buried there..no stone.. supposedly Charles Weaver, twin of James Franklin is buried there too. From there we took a dirt road out to Pine Creek Cem.(Kitty knew where it was, because her grandparents(Stauffer and Powell) are buried there. We walked around and I discovered the broken stone(upside down) of Mary Ann Weaver, dau. of Hugh and Nancy). Took a photo there(2). Went out to Fairmound Cem. Took photo there..also found Coursey stones. All located near the mausoleum there.. Went back to the restaurant where we took photo of Kitty and Ronald. From there we left for Warren, IL.

On the way, we stopped in Stockton and went through an antique shop, where I bought a Dale Evans book and Authors cards.

Went through Nora, but couldn't find the general store, we thought was there.

Went on to Warren, IL, where they were painting up the stores for the 150 anniversary..flags etc. went over the railroad crossing on Main St. where Wilbur, Milo and Robert Jensen were killed in a car-train accident many years ago.(Brother and nephews of Louise Jensen Weaver). Didn't know where Iver Jensen's Tailor shop had been on Main St. Located the Jensen home by looking at photo taken in 1971 which showed a church steeple in background. Knew the Jensens had gone to the Meth. Church. Looked in the telephone book under churches and found the Meth. Church was on Jefferson St. Went there and found the house behind it on Water St. It had been remodeled. Jerry took a new photo. Went from there out Galena Trail to Elmwood Cem. Found the Jensen stone. It is large and brown with a s; lant top on it. Discovered this time that Charles Burton's name is on the other side..either didn't remember that from before or didn't see it before. Took another photo.

From there we went to Scales Mound where we found the general store across from the railroad track..,Jerry remembered it..took photo....went on to Galena, IL. Town was filled with tourists..motels scarce and expensive..drove out of town...discovered later we were going east..so we kept going and ended up in Freeport..where we rented a room at Townhouse Motel..$33.00..(it was all right, but not the nicest..the people who ran it, looked kinda bad)
Drove past 1802 Winchester, where Kitty has a condo. Can't remember where we ate....

WEDNESDAY JULY 14, 1993 Odometer 35296..left motel at Freeport...did not eat their continental breakfast..went to McDonalds on W. Galena Ave. Drove past Wayne and Kitty's former home where Mark and Julie now live. His brother Steven lives with Nancy , his mother on Lemon St.(David and wife Nancy were divorced 4 and 1/2 yrs. ago). David was living with Kitty when he had the heart attack.

At 9 a.m. bought gas at Clark station (35299) took east 20 out of Freeport..houses looked old in Freeport...it was foggy in distance , but visibility was o.k. to drive. Went to Rockford, where we took 39 down to 80..hit 30 at Merrillville..Ate at Bob Evans in Valparaiso, IN..($5.32)..2:15 p.m. Started home from Valparaiso. Arrived home about 5;30 p.m.

SUMMARY: The rolling hills of Illinois were beautiful, especially around Scales Mound, where Iver Jensen first settled. The little town of Warren was quite nice and so is the cemetery, which is on top of a hill. Polo seemed bigger than we remembered with a nice new high school and swimming pool. Dixon seemed to have a large downtown for its population. Everyone treated us nice that we visited and were helpful to us on the genealogy. Of course, when we arrived home, thought of other questions to ask and photos that we should have taken to have identified. It really was going back to Jerry's roots since Hugh Weaver first settled in Ogle County, Illinois about 1846..his family was there..until John and Louise Weaver left there in 1913 to come to Defiance. The only ones remaining out there are Max and Ronald, their son Larry, who has two children, Kitty and her two grandsons, and Ruth Duffey Grove. There are probably other Weaver descendants around Dixon and Aurora, but the family has lost track of them.

Dear Lucy

Back in 1970, I published a book on the family of my mother-in-law, Linnie Faye Rockwell. I am in the process of up-dating this book and am trying to add additional data on the Rockwell and other family lines that married into family (Barnhart, Metz, Slentz, Trout, Handy, Bennett).

I enclose those pages from the original book that pertain to the family you inquired about in the Genealogical Helper. Does this info "ring any bells"? I sure would like to exchange information with you if we are tracking the same family!

Please drop me a line after you have looked the data over - I would welcome any corrections or additional information/suggestions you can offer!

Best wishes, and "Happy Huntin'"!

Dear Mr. Moats,

Lyle Schryver gave me your address and suggested that I might write to you since you may be interested in your family background. Before I go on, I will show the diagram of how you and my husband are related.

Common great great grandfather: Hugh A. Weaver(1814-1898)
Margaret Weaver Moats(1857-?) sister to James Franklin Weaver(1842-1935)
Lewis A. Moats(1878-1972)-first cousin to John Weaver (1874-1954)
Kenneth Moats (1904-1964)-second cousin to Floyd E. Weaver(1900-1973)
Robert L. Moats(1928)-third cousin to Gerald Floyd Weaver(1925)

Am enclosing a summary of the descendants of Hugh A. and Nancy Barnhart Weaver. The index is in the back. You will see that you are listed on pages 11 and 13..my husband is listed on pages 10 and 12. I thought perhaps you might like this copy to pass along to Christa or Kyle t let them know about their family background. Perhaps in reading over the material, you might find you have some data about the siblings of Margaret Weaver Moats that you can add. Are there any other Weaver descendants in the area(I know James Ronald Weaver in Polo and Kitty Weaver in Freeport) ?

Would appreciate hearing from you. Enclosed is a self addressed stamped envelope.

Sincerely,

Lucy M Weaver

Dear Director:

A recent news article stated that your focus is on Danish immigration to America in the 19th century and that a computer network will link people, families and artifacts as part of your function as a national clearinghouse of information about Danes in America.

Therefore, I am writing in hope that you might provide additional information on my husband's great grandfather Iver Jensen. From Iver's obituary, we know that he was born 19 May, 1844 in Copenhagen, Denmark, was confirmed in the Lutheran Church in Denmark, and from the census, know that he immigrated in 1868 to Scales Mound, IL. and was naturalized. I have been unable to obtain a death certificate from Jo Davies Co, IL., where he died in 1913, nor to locate his naturalization papers. Family tradition says that his fmaily sent him to America to avoid serving in the Danish Army...also that he had brothers andd sisters, who located in Minnesota.

I am enclosing a family group sheet on Iver and a self addressed stamped envelope for your response. Any leads that you might give me, would be greatly appreciated.

Sincerely,

Lucy M. Weaver(Mrs. Gerald F.)

Dear Mrs. Weaver,

I am sending you a print out of Eligha Weaver and Anna Snider.

The Weavers I belong to came from Ohio. I think. At least Elijha and Anna were married in Hillsboro Ohio on Aug 8, 1846.

Then Weavers and Sniders came to Iowa together.

Elijah and Anna had 11 children. I am sending you a print out of what I have on them.

My husbands uncle said he thought Elijahs father was Silas Weaver and he came from New Amsterdam Holland. But isn't sure.

I don't know where to start looking for Elijahs birth date and parents.

I just started being a genie and am just about ready to throw in the towel.

I will be glad to share any inf. I have if this interests you.

If you can help I would greatly appreciate it.

Thank You,
Charlotte Weaver

Dear Lucy:

I'm sorry my taking so long to send you information on the Moats family. The Moats lived just west of us and I own what was their farm. Samuel Moats was a blacksmith. I have several things he made pipe tongs, and branding iron, with the letters G.P. made for my grandfather George Poole.

Samuels family consisted of - I'm sending you a letter I received from Calvin Hagen.

The Phelps family I was connected with is not the same family.

3. Blanche, married Fred Nelson, Freeport, Ill.

Son SAMUEL, Jr. Samuel Jr. moved to Davenport, Washington, before the turn of the century. To the best of my knowledge he did have a pair of twin daughters, Myrtle and Gertrude. If I'm correct, Myrt married a Mr. Jeffers from the state of Washington.

DAUGHTER CLARA Died at the age of 17. Buried in Polo, Illinois, in the Brick church Cemetery in the town of Eagle Point.

The MOATS FAMILY - IRA, SAMUEL, SIMON, AND J. B.

IRA B. MOATS, my great grandfather was born in Ohio on April 18, 1823. He moved to Ogle County, Illinois, and took up land there in 1848. Ira was married twice. His first marriage was to Adeline REED. Two children, George W. and Emeline, were born into this marriage. Mrs. MOATS died on February 6, 1849 and is buried in the Buffalo Grove Cemetery, Polo, Illinois.

I have this about complete

Ira's second marriage was to Clarissa ROBINSON. To this marriage were born Henry, LeRoy, Evline, Mary, Edgar, Simon, Alice, Samuel, and Rose. Rose is my grandmother. All are deceased.

SAMUEL R. MOATS, Ira's brother was born in Ohio in 1826 or 27. He, too, moved to Ogle County, Illinois, where he married Mary THOMPSON. To this family was born Ira, William, Augustus, John, Clara, and Samuel, Jr.

See attached

SIMON N. MOATS, I have no proof that Simon was a brother of Samuel and Ira. However, the names, the ages, and the locations fit into a family setting. Simon married Caroline DODSON there in Polo, Illinois. He died on March 16, 1849. A son, Arthur is buried beside him, so I have concluded that he left no other descendants. His wife (widow) later married Hiram D. OSTERHOUDT.

Reed Cemetery

J. B. MOATS, took up land in Ogle County, Illinois in 1845. Sold land to Ira and Samuel. I have not been able to trace him since that bit of information was received.

Who is JB Moats?

This was I.B. Moats an error in reading

The MOATS men were generally small in size - from about 5 feet one inch to 5 feet six. Many had red hair. Twins were somewhat common.

I do not know who the parents were of the above MOATS men - nor do I know of any sisters. My grandmother Rose told me some years ago that Ira's and Sam's parents died of the fever in Ohio when the boys were young. She mentioned Chillicothe on several occasions but nothing certain.

One MOATS line supposedly moved to Miami, Ohio, from Georgia and other areas of the South in 1804. Can this be substantiated?

The names and addresses of MOATS relatives would be appreciated. I would then correspond with them personally. My information will be shared with all MOATS - MOATES - MOTES - MOOTZ - searchers.

Dear Mrs. Weaver:

Thank you for the group sheet on Letta and Edward Haye. The Jacob Haye you mentioned in the obituary of Mrs. Hugh Weaver, I don't know who that would be. I have never run across a Jacob Haye in doing my research.

I've enclosed a family group sheet of Letta and Edward Haye's children. This is all I have found out so far.

This is the way I am related to Edward Haye. Zepheniah Haye who is the father to Edward. His sister Fannie is my great grandmother.

Do you have any obituaries of the Haye or anyone that I may be interested in. I would be interested in receiving them if you do. If there are any charges for any copies, please let me know.

If I find anymore information on Edward or Letta Haye's children, I will let you know.

I have enclosed a self addressed stamped envelope for your reply.

Thank you for the group sheet on Letta and Edward Haye. Was so glad to receive the date of Lettie's death and burial site. I guess Jacob Haye will remain a mystery.

I don't have any obituaries of the Haye family. If I happen to come across any in my research, I will be happy to copy these for you.

Merry Christmas to all,

Thinking of You at this blessed season.

Was in the hospital from May until Sept. 2nd. Was throwing up for sometime. Got run down & was on IV's, no food. My doctor sent me to Madison University hospital - Madison Wis. After many tests they found I had radiation scars in the bowel from my Cancer in 1985. When they got ready to do the surgery my heart wouldn't stand it. So had open heart surgery & $3\frac{1}{2}$ wks. later I had the bowel surgery & they by-passed the area of radiation scars. I had to have a Colosmey, a permanent one. I am gaining strength but no engery.

Steven graduated from Rockford College last Sunday with a degree in business administration, a lovely Service followed with a buffet luncheon. I will be great grandma in March. They are so pleased as lost a baby before. Mark & Julie will be the new parents.

Ronald is in the Polo Nursing Home. Can't walk & depressed. Give my love to all.

Dear Mrs Weaver,

It's taken a while, but I finally got to visit with Robert Moats. "Bob" is working daily for the State of Illinois as a driver for the Highway Department. Although he has lost his wife recently he was in good spirits and we had a pleasant chat.

Bob is planning on working a couple of more years before deciding what to do with his life. He is involved locally in politics and is active in several clubs. "Most of his moats family is gone as well as those on his mothers side." (He wouldn't mind if you wrote to him
The information he gave me was from memory. His immediate family he knows, but is faulty on the rest. He said he has lots of information "laid about", and will let me see it when he collects it all together.

"Nellie died CA 1900 in her 21st year of Strep throat per grandfather Lewis". She never married. He doesn't know where she is buried.

She doesn't appear in any cemeteries around here.

per a local historian and a former neighbor of the moats family, someone who knew Lewis Moats very well, there are several moats buried without gravestones. my research leads me to believe that they are six moats and now perhaps Nellie too, buried in the same location without markers.

This location and the graves are at the Elkhorn Brick church cemetery between Polo and Hazel Hurst Ill. (Polo address) in Ogle Co, IL.

The Six I believe buried there are:

Dear Lucy,

I wrote to you some time ago in regards to the Barnharts of Ohio.

Are you still researching this name? I'm still trying to tie Michael b. 1819 William b 1820 and John B. b. 1817 PA as brothers. They all are buried in Williams Co. Ohio in the same cemetary.

Next question, the Weavers. I have been corresponding with a distant cousin who was the gr. granddaughter of Daniel Weaver of Williams Co. then married Mary Jane Bear/Bare and moved to Fife Lake MI.

Last but not least, do you have any current address for Patti Moburg? She did live in Brooklyn, MI.

Sure hope you can shed some light on some of this.

Sincerely,
Mary Lynne

Dear Lyle,

Your most welcome letter with the Moats data arrived while we were away on a Caribbean Cruise for our 40th Wedding Anniversary. Just now getting caught up on correspondence that came while we were away. It was our first real vacation in the past fifteen years, so we really enjoyed it to the fullest.

I have added the Moats data to my Weaver Genealogy and plan to write to Bob Moats. Since he appears to be interested in his family background, perhaps it would pay me to send him a genealogical summary of the family. I am hoping that he might know more about Margaret Weaver Moats' siblings, but that may be too far back for him.

Can't begin to thank you for your thoughtfulness in assisting me , your taking the time to write out in longhand all the data, and sending it to me, a complete stranger. It just shows that there are still kind, thoughtful people left in this world. You have helped me a great deal in piecing together my husband's family record.

Sincerely,

Lucy Weaver

Dear Mary Lynne,

Thank you for your recent letter regarding the Barnharts and Weavers. Can't add anything to the past information that I've sent. My husband's great great grandmother was Nancy Barnhart, parents unknown, born Dec. 17, 1821 Cumbrland Co., PA.(according to newspaper obituary). As far as the Weavers..they were mainly from Polo, Ogle Co., IL. until one settled in Defiance Co. in the early 1900s. I* don't know of any connection to Daniel in Williams Co., OH.

My list of Barnhart Correspondents(in case you wish to write):

Re: Weaver Family

Dear Charlotte,

Forgive me for not answering sooner, but your letter re the Weaver family was buried on my desk. I try to answer most correspondence on time, but circumstances during the past year~~s~~ prevented me from doing so.

I reviewed your letter and did not find a connection. My husband's ancestors were originally from Pennsylvania..then migrated into Hagerstown, Maryland and from there to Ogle Co., IL.

Will enclose family group sheets for Hugh A. Weaver family and will retain your letter on file for future reference.

Thank you for writing.

Dear Mrs Weaver,

I wish my correspondence was good news instead of always sending obituaries. As you see Robert died on the 15th I was told he had a brain aneurysm followed by a coronary. How true I don't really know yet. It all happened within a two week period.

I spoke with the family and they said Krista was the family historian now. Bob and I never got back together again on the subject of his family. I suppose we both thought we had plenty of time.

I'm still into geneology, but of course never my own anymore. I belong to three county societies now and bounce around trying to help each one. I also have been teaching a course for a local Junior college this Past year. I hope, in the near future, to trace Alfred and Hannah Weaver. I'm interested in finding out (confirming) if she was a Thompson and her mother would be my Great-Great aunt.

Dear Mr. Schryver,

Received your thoughtful letter today, along with the copy of Robert Moats' obituary. I certainly appreciate your taking the time to write and tell me and copying the obituary. You have been so helpful to me all along. I was certainly sorry to learn of Robert's death. Perhaps his poor health caused him to be unable to reply to my letters. I wrote to him twice and sent him a packet of Weaver History. I hope that he shared the data with his daughter Christa, since you said she is the family historian. Will send Christa a note of sympathy and maybe she will exchange some family data.

If you find out anything about Hannah and Alfred Weaver, certainly would be interested in knowing about it.

I have received so much help from fellow genealogists and try to do the same for others when I can, but I believe you must do more than your share. Always have believed that what you do for others comes back twofold.

Thanks so much!!!

Dear Christa,

Lyle K. Schryver (a friend of your father) wrote and told me of your father's death during this past month. Please accept my sympathy. Having lost both parents, I understand how difficult it is. Lyle tells me that you are the family historian so I must explain who I am. Have been working on several branches of my husband's family, one of which is the branch descended from Hugh and Nancy Barnhart Weaver(of which you are also descended). In February 0f 1996 I sent your father a packet of data I had compiled on that particular line. I never had a reply, but imagine his ill health caused him to put off responding.

Am hoping that when things have settled down for you once again that we might correspond and exchange data. My husband and I have visited Polo in the past and visited with Ruth Duffey and Ron and Dorothy Weaver(prior to Ron's death).

Again, please accept this brief note of condolence in the loss of your father and I wish you well in the forthcoming weeks.

Sincerely,

Dear Lucy,

Unexpectedly, I found several weaver items at once. as you well Know, this is the way it happens.

Looking for alfed and Hannah I came across a local news item in the oregon, Illinois Reporter saying alfed had passed away with dates. Now, oregon is about 20 miles from Polo, IL and dont usually cover each others news.

Carrying the dates to Polo and checking their newspapers I came upon the others as well as alfred and Hannah. of Course I will double check to see if I can find more on Hugh and Nancy and may be their Parents. I've already check the death files and can't seem to find any.

Alfed died in another county (Stephenson) as did Hannah (DeKalb). Hannah, as I subspected, is related to me. Her mother is Rebecca Schryver, my GT. GT. aunt, sister to my GT. GT Grand father Mathew Schryver. They spelled the last name Scriver in those days. yup! exciting stuff. It boils down to this, watch whom ~~you~~ talk about they may be related.

They Paper mentioned the Probates of alfed and Hannahs estate. you can write to the court House at oregon if you are intersted.

I thank you for the Kind words. I do enjoy family history and solving the mysteries that come with it. I travel at my own pace so as not to feel pressured and hope to be [illegible]ing it until the end.

Dear Lyle,

It was a pleasant surprise to find your letter, which was packed with Weaver data. The obituaries gave me several new clues. Apparently the Lee Weaver of Dixon and Mrs. Olive Jones of Sterling were the children of Charles Weaver. I had an Ollie and a LeRoy , but no record of what happened to them. Would the Clara Moats, who died in 1890 at age 10 possibly be the sister of Nellie ? That is what I surmised. Especially since they both died of TB. One doesn't hear much about TB anymore and when I started as a Public Health nurse in 1955, I had 60 cases of TB in Defiance County to follow up on.

Thank you so much for copying the data and sending it to me. I noticed it cost you 64 cents to send the material, plus I know you had some copying costs, so will enclose $3.00 and hope it covers your costs…if not..please let me know.

Hope that you have a Happy Holiday season and that 1997 will be a healthy time for you. (I am now a 5 and 1/2 yr. cancer survivor so I am very grateful to be alive!)

Sincerely,

Lucy M. Weaver

Dear Tom,

Thank you for replying to my query in the Ogle Co., IL. Gen. Soc. Newsletter. Moats is not a direct line in my husband's genealogy. Margaret Weaver married Ira Moats in 1875 in Ogle Co., IL. I found that if I put several of the connecting names in my query I often received leads that helped with my direct line.

Really do appreciate your taking the time to copy the data and send it to me, though. Will enclose a small reimbursement to help cover your cost of copies and postage.

Sincerely,

Lucy Weaver

Brian, I don't have any other information than what I sent. Lyle Schryver in the Ogle Co. Geneal. Society sent me the data on Bessie. He evidently found the data in the Tri-County Press, of Polo, IL. By the way, Bessie was the second wife of Frank Weaver. His first wife died. You might write to: Lyle K. Schryver 736 Timbercreek Rd. Dixon, IL. 61021. He might send you a copy of Bessie's obit. and he might also find some Reed data for you. He has been so helpful to me, sending scads of Weaver data. I don't think he is on computer or e-mail. Everything has been handwritten. I appreciate the data you sent and will keep it on file in case I find anything more. Good luck! Lucy Weaver. P.S. There is a REED Cem. in Polo, Ogle Co.IL.

Dear Mrs. Weaver:

A friend in the Ogle County Genealogical Society told me that at one time you were researching the Moring surname. My G-Aunt Caroline Zumdahl was the wife of Lewis Moring. As you may know, the Moring's emigrated from the village of Wörderfeld, Lippe-Detmold. I have visited Lippe a number of times researching my Zumdahl line and collateral families, many who settled in Ogle County.

I have accumulated quiet a bit of information on the Frederick Moring (1811-1889) but as you can see by the enclosed family group chart I have many blank spaces. I've had a bit more luck with the Lewis Moring family but still far from complete.

I am in hopes that you might be able to help me and of course I will share any of my research information with you. I was raised in Mt. Morris, Ogle Co., IL and have been at this wonderful hobby for about 15 years. Now that I am retired, rather than going fishing I work on my genealogy.

Thanking you for your time and I hope to hear from you.

Sincerely,

Gary Zumdahl

Dear Gary,

Received your letter in today's mail re: MORING surname . I am not going to be much help to you. My husband's great uncle Bert Weaver remarried after the death of his first wife to Louise(Lula) MORING. His first wife died in April 1942, so this marriage took place after that. Bert was born in 1886 & died in 1972. I don't know when Lula died. They resided in Freeport, IL.(Stephenson Co) when I knew them. They had no children. I am not sure if Moring was Louise's maiden name or not. Wish I could be of more assistance.

Noticed the name of KLEMME on your surname list on your stationery. There are KLEMMES in Franklin Co., IN. If you have access to the Internet..go to the Franklin Co. IN. website under USgenweb.com. Randy Klemme is the website coordinator.

Thanks for writing and good luck.

Sincerely,

Lucy

Hello,
I am researching the surname Coursey and Arthur Grant Coursey m. Minnie Weaver in Ogle Co. abt. 1900 according to my information. Just curious if she was one of your Weaver people and if so, do you have any info you would share about her family or the Coursey family. Some of the Coursey family lived in Ogle Co. from 1860 to 1915 or longer. Thank you for any information you may have.

Lucy,
Great to hear from you and thank you for the data. I am not a direct
descendant of Arthur and Minne. I live in Iowa and in the early 1990's
worked quite often in Peoria, Il. I found Helen (Dee) Coursey's name in the
phone book and called and talked with her. She gave me the information that
I have on her husband that linked me with his ancestors. I'm not sure but I
think Helen may still be living at that same retirement community.
According to Helen, she and Laverne had no children. Marie m. ? McManus and
they had a daughter Nancy. Marie was b. 3/25/1904. According to my info
Laverne and Marie were the only children of Aurther and Minnie.
David Franklin Coursey m. Maletha Mullen 6/1/1868 at Freeport, Ogle,
Illinois. This information is from a genealogy authored by Oscar Coursey a
brother of Arthur Grant.
I have more info on Coursey if you need it, but nothing more on Weaver,
Mullen, McManus or Dee.

Lucy,
I don't mind the corrections, don't know for sure where I acquired the data, but I probably just entered it without checking or I messed it up. I'd vote for the latter, but that seems self defeating. Thanks for the additional data. I show Laverne Arthur d. 11 Feb. 1986. I have ran into the same seeming apathy within my own family, concerning genealogy and the sharing of family information, I just pass on to another source in most cases. My aunt on my maternal grandparents side seems to have that attitude. She hasn't gotten angry, but seems indifferent about participation in the processing of her family information. It's basically available from other sources, but just harder to acquire. Thank you much and give me a shout should you wish to.

I am in possession of a great study of the Palatine Weber/Weaver familes entitled "Weaver Families of the Mohawk and St. Lawrence River Valleys" by Aline F. Weaver) Nicolls, Victoria,BC 1987. Her extensive research lists what is known of the original immigrants, Jacob & Nicholas (brothers), Valentin Weaver, Johannes Weaver and Wigand Weber and their descendants. In addition, there is a sixteen page index of descendants and related families.
I would be happy to do a lookup for any of the list members.
For those who would like to purchase the book, I will respond to your e-mail and provide you with her address. Snail mail only, no e-mail address.
My cousin Bob and I went to Vancouver Island in August, had lunch with her and had a great visit. She is our sixth cousin.

I understand that Illinois uncertified death certificates are available free of charge ofr the years 1916-1949.

For genealogical purposes, I would be interested in receiving certificates for the following persons:
Lettie Mae(nee Weaver) HAYE
b. 1 Jan. 1880 & died 18 Jun 1959 Oregon, Ogle Co.IL.

Minnie Alma(nee Weaver) Coursey b. 10 Jun 1872 & d. 1921-Il. county unknown.

Clara (nee Weaver) MISNER b. ca. 1863 d. 1931-possibly in Kane Co. IL.

Frank WEAVER b. 18 Jan. 1878 & d. 26 Jan. 1937Ogle Co.IL.

Alfred WEAVER b. 1852 & died 6 Sept. 1921 Stephenson Co.IL.

Carl JENSEN b. 15 Mar. 1882 & d. 29 Aug. 1942-co. unknown, but possibly Jo Daviess Co., IL.

I would appreciate any assistance that you can give me. I am particularly interested in cause of death, due to pattern of illnesses in current family.

Thanks! I believe Henry and Sarah to be the parents but I'll do some more checking. I looked at the Bible record and the child born on 17 Dec 1821 was recorded as Anna Barnhart (in English - previous records in German) - It wouldn't be too much of a stretch for her to go by Nancy - Could be the middle name, even. I'll look for a Baptismal record.

Lucy,

Here is some info on Nancy's parents. Henry Barnhart b. 1763 d. 1831 buried Ziegler Graveyard, Leitersburg, MD. His first wife Anne Catherine Beck b. 26 Jun 1777 d. 10 Oct 1817 is also buried in the same cemetery. I have no dates on Mary Sarah Meisner. I show Mary baptized 1 Apr 1820 at Salem Reformed Church, Washington Township, MD. She was listed regularly there with Henry on the list of communicants. My theory is she was baptised into the Reformed church when she transferred there after marrying Henry. The children of the second marriage (Sarah) are

Anne Barnhart b. 24 Jul 1820
Anna Magdelena Barnhart b.17 Dec 1821
Babbs Barnhart b. 28 Oct 1823
Barbara Barnhart b. 16 mar 1825
Margereta Barnhart b. 26 Jan 1827
Susanna Barnhart b. 09 Apr 1829
David G. Barnhart b. 10 Nov 1831

Interesting to note that David had a child named Alfred, too. Alfred was not a name that appeared anywhere else in the Barnhart lineage which makes the link even stronger. Probably a favorite uncle.

Also, even if Henry and Sarah aren't the correct parents (I believe they are though) the siblings do belong together. This gives you some info on her brothers and sisters.

I'd like to get more info on the Weaver's if you don't mind; Parents, children's dates, etc. I usually like to fill out the first generation at least.

I have a good biographical sketch and history book called the "History of Leitersburg District", Bell, 1899. It's got a lot of good info on the area. Lot's of Weavers in it, too. If you can tell me Hugh's parents I may be able to look up some info. If there's any good data in it and you want a copy of the book let me know. I am going home to Chambersburg, PA for Christmas and can pick you up a copy at the Waynesboro Hist. Society.

Thanks,
Chris

Subject: Weaver's and Barnhart's

Hi Lucy,

Happy New Year. Thought I'd drop you a note. It was just me who went to Polo on Friday for a visit. It was very nice to meet Elizabeth Obendorf and Dorothy Weaver. Eliz. is a wealth of knowledge and Dorothy was kind enough to take me over to Reeds Cem. and show me around town. Shame the grave markers have gone missing. Dorothy gave me a copy of the work you did for Clayton - very nice and well researched. I owe you thanks as well !! I also found two Barnhart's in the area around 1870, Jacob and Peter in Pine Creek twshp, maybe relations to Anna/Nancy, very exciting! Do you know anything of these two?

Dorothy gave me some pictures I was thinking of copying at the photo store - James F. family, James' boys, Samsel's children? (we couldn't positively identify, though, can you?), and Emma Kroener - would you want some copies if I do?

I've also attached a copy of what I have for Heinrich's family in a register style report. I'm surprised that Anna/Nancy listed her place of birth as Cumberland County. As far as I know, Heienrich and Sarah never left the Washington County, MD area. It may be a clue to look for Meisner relatives, up around Harrisburg and Carlisle, PA. Two other things occur to me however. (1) The whole area stretching for Harrisburg, PA to Hagerstown, MD is known as the Cumberland Valley, maybe that is what they meant. (2) Also, Franklin County, PA which is adjacent to Wash County to the North used to be part of Cumberland County, PA until Franklin was split off in 1780. The Barnhart's lived very near to the Border of the two states while the border was being developed. It is possible that the County was still referred to by the old name. I doubt this theory because the Barnharts came to the area at least 10 years after the name changed. It is still possible that she was born in PA., however.

Well I've rambled enough, keep in touch.

Interesting, Baltimore, MD? Now I'm starting to wonder where she was really born (or if the kids really knew), and if we have the right person ? We have her born in Baltimore, MD, Cumberland County, PA., and many of her brother and sisters were born in Leitersburg, Washington County, MD. The DOB certainly match's and lot's of evidence that her name was really Ann - I'm sure of the name and date from the bible record. What are the chances it could be a coincidence with another Ann? Pretty low I guess. That reminds me. I need to send you a copy of the bible translation, too. I'll throw one in with the pictures.

Thanks for Clara's info.

I'm Joseph Barnhart. I live a couple mi s. of Greencastle,Pa. I'm glad to find a decendant of Henrich's 2nd marriage. I have been searching since 1982 and have 2,500 of his decendents. I found a Joh Jacoby Barnhart and Maria Lisman had a child named Henry in 1763 but Chris and a few other researchers don't like the fact that they were Cathlic, they have all but discounted them as our Henrich's parents. Someone had to be the convert from being Cathlic to German Reformed! I await your reply and some more of Henrich's family. Want to trade gedcoms? Joe

Lucy,

Thanks!!! This very well could be the one. York, PA is just across the river and only a few miles from Manor township where Henry was supposedly married. I'll do more research. Joe's my 2nd cousin once removed. He helped me alot when I first started and is also searching the same Barnhart line. He's got a project going where he's indexing Franklin County, PA graveyards - should be very worthwhile. I emailed him the other day when I found his email address on Michael Barnhart's webpage. Did he have info on Anne for you, too? He may have, or can get, more early info on Anne as he still lives in the vicinity.

Could be true about Henry, many left Germany for the religious freedom of the new world. Entirely possible that he was born Catholic to Catholic parents and converted. Joe and I had found a reference to a Henry Barnhart born in Germany in 1763 recorded in a catholic parish from the LDS archives. I'm not sure he was an immigrant himself, though. Be interested in what Joe found. Heck, Martin Luther himself was Catholic at one time, too <VBG>. I was brought up Catholic because my Mom was/is, now I'm a practicing Methodist because my wife is. Things go that way it seems.

Joe, Do you know Mary Ann Miller? I was digging through my Barnhart file today and found an old e-mail (Mar. 4, 1998) from Mary Ann Millermamandm@aol.com and she is descended from the Henry and Catherine Beck Barnhart line through their son George. Have you ever been in contact with her? Hope her e-mail address is the same. I sent her a message. If she is a new contact for you, perhaps you may want to sent her a note. I have my manual out studying how to gedcom. Let me know what format you can receive gedcoms in..according to my manual that is important.

Hi Lucy:
Yeh I tried to converse with her about her family, but another reasearcher Richard Hartle sent her a family list of 2,500 people and she denied receiving it and Richard never received anything from her, and when I opened an E-Mail from her I got a virus and my computer was out of commission for several months. I'm not saying it was intentional but I haven't been in contact with her since. My program will receive Gedcom from PAF 2.2 format. I like group sheets and will accept an indented tree, if you can do either one of those.
Thanks for all the info so far.

Hi Lucy,

Yes... I do know Joseph Barnhart... I must admit, my genealogical research has been put on a back burner for a while due to my work...however, I am VERY
interested in the information from the other gentleman, Chris, of which you wrote!

At one time, Joseph had mentioned that he had a copy of Henry's Bible...I don't know if he actually has a copy of it..or just abstracted information from it. I would LOVE to get my hands on a copy of it! Last I communicated with him, he was unaware of it's current location. He wanted me to send him my Barnhart file...in return for the info from it... My computer crashed so I did not have a gedcom of it and did not have the time available to put it together again.... One Saturday, I am going to devote my day to inputting the information again.... with sources...

Do you find it difficult to find people who have the sources attached to their information?

It's nice to hear from you again... I'd like to contribute what I can.

Thanks so much,
Mary Ann Miller

Mr. Charles Scadden
1714 Cornwall Circle
Sun Prairie, WI 53590-3074

Dear Mr. Scadden,

I am writing to you in hope that you are a descendant of Mary Lou Weaver and Edward Scadden. The last address I had for them was in Cuba City, WI, but would imagine that they are deceased. My husband is descended from James Franklin Weaver and I am preparing a Family History on the Weavers. I would like to include Mary Lou and her father William Henry Weaver's descendants in the history.

Will enclose a self-addressed, stamped envelope, hoping that you will respond as to whether or not you are related to Mary Lou. If you are not, perhaps you might know of a Scadden, who is. All I had to go on was the fact that she had a son named Charles and possibly two other children.

Any assistance that you might give would be greatly appreciated.

Sincerely,

Lucy M. Weaver

Hi, Angela, My "Nancy" Barnhart kept showing up on the census as Ann, but she was listed as Nancy in her obit. and in the last census. We believe now that she was born Anna Magdalena Barnhart 17 Dec. 1821 to Henry(Heinrich) Barnhart and Mary Sarah Meisner, according to information sent to me by another Barnhart researcher. Her obit says she was born in Cumberland Co. PA., but we think now it was Franklin Co.MD (Cumberland Valley) Henry Heinrich Barnhart was born ca. 1763 and died abt. 1831PA. His wife Mary Sarah Meisner b. 1777 died and he remarried to an Anna Beck. siblings of my Anna(Nancy) were Jacob 1794-1797; male 1798-1798; ___ 1800-1800 and then 1/2 siblings Geo. b. 1800; Elizabeth 1802-1865; Henry W. 1806-1886; Catherine 1808; Jacob 1813-1882. Yes, Lucy we have a match.

My g-g-g-g-g-grandfather was Heinrich Barnhart and his wife, which would be my g-g-g-g-g-grandmother was Ann Beck. I have just recently gotten some information going back that far. So I have yet to confirm things. It looks like your Anna's (Nancy) brother, Henry W. is where we connect. I received this information from another descendent, Chris.

Can't wait to hear from you again and share some more.

As far as being young, yes, I guess so. I am 32 years old.

From Heinrich Barnhart (5 great)
 Henry W. Barnhart (4 great)
 Daniel Swisher Barnhart (3 great)
 John Jacob Barnhart (2 great)
 Vena Marie Barnhart (great)
 Verletta Barnhart (grandmother)
 Randy Davis (father)
 Angela Ridlon (me)

John Jacob Barnhart came to Illinois sometime between 1860 and 1884. He was found on the Franklin County Census in 1860 and was married in 1884 in Ogle County. I haven't found any other Barnhart's from the area. But several of his wife's family came here also from PA (Franklin County). Have not been able to fill in between there yet. You say that Anna came here from Maryland. Daniel, John's father and Anna's nephew from what I gather, was born in Maryland in 1832 and by 1860 was back in PA when John was born. Perhaps they were kinda close or maybe something from his wife's family. I really don't know yet.

I am concentrating on getting as much as I can locally, courthouse, cemeteries, etc.; before I go back any further in other areas. I think I am about to that point.

Anything sound familiar or possible. Where do you live? Is your husband into this? My husband is not into this, but I research his family for my son's sake. He is only 7 1/2 now, but is a little curious.

Talk to you later

Subject: I should find out something...

Hi again Lucy,

Thanks to a number of Washington County indexes available for searching online at the Maryland State Archives site, I have isolated the legal proceedings referred to in the deed I mentioned to you a few days ago.

Hugh and Anna Weaver conveyed the property to Jacob Barnhart alright, and this Jacob was, I suppose, Anna (Nancy)'s older half-brother. A legal proceeding was undertaken in the Washington County Circuit Court as Equity Court Case #954, dated December 10, 1846. It's referred to as "Jacob Barnhart versus George Barnhart and others." The summary is tantalizing as it mentions summons directed to Joseph Boward and wife (that would be Susan(na) Barnhart Boward and her husband). There's also something involving a Mr. Garver and wife. And a deposition from Mary Barnhart; don't know for sure who she is. And, most importantly, a report from the Trustee, John D. Eakle, which doubtle! ss! recites the names of the heirs at law of Henry Barnhart. I'm keeping my fingers crossed that some passing mention will be made of Henry's marital history to explain the two sets of children involved as claimants to the estate -- and even, if my assumptions are correct, the surrender of Henry's widow, Sarah Garvin Barnhart Misner's claim to the estate, due to her marriage to Abraham Misner! Well, that's pushing it, but if any document should explain that fact, this one should!

Anyway, I faxed out a request to the State Archives to reproduce the whole file and will surely let you know what nuggets are contained therein!

Meanwhile, I was going through some internet discussion list postings and see that at one point you mentioned finding a marriage record of Henry Barnhart to Sarah Meisner on April 1, 1820 in the Salem Reformed Church. Do you have the reference to that marriage somewhere? I think I mentioned before that the only definite re! co! rd I found for Henry Barnhart and Sarah was the birth and baptism of their daughter Susan(na) in April 1829/ March 1830.

I wonder about that April 1, 1820 marriage date, because I found the following land deed:

!LAND TRANSACTION: Washington Co., Maryland Deed Book EE, pp. 451-454

Henry Barnhart (and Sarah, his wife) of Washington Co., Maryland to Samuel Myer; lot #31 in the town of Leitersburgh, Washington Co., Maryland; for $100. Deed dated 4 Mar 1820; recorded 13 Mar 1820.

So Henry and Sarah Barnhart were already husband and wife in March, 1820.

So we obviously have some mysteries to solve!

I did a search of the Hagerstown public library's catalog and found that a man named Richard

Lee Hartle published an account of "The Descendants of Henry Barnhart, 1736-1831" which is in their special collections room there. I located Richard's mailing address and wrote to him. He's around 89 years old from my calculations, but I'm hoping he might be able to shed some additional light on sources, like the old Henry Barnhart family Bible record.

How are you doing? We've descended into a cool summer, with temps into the 50's and 6! 0'! s. Weird weather this year!

Sincerely,

Richard Cochran

Hi Lucy,

I already told you about this deed:

!LAND TRANSACTION: Washington Co., Maryland Deed Book IN 2, pp. 199-200

Hugh Weaver (and Anna, his wife) of Washington Co., Maryland, sell Leitersburg Lot #1 to Jacob Barnhart of Washington Co., Maryland for $15. Deed dated 8 Oct 1846; recorded 9 Dec 1846. Note: Anna Weaver is described as "one of the legal heirs and representatives of Henry Barnhart, dec'd."

However, it appears the instrument was challenged in the courts, for I found this:

!LAND TRANSACTION: Washington Co., Maryland Deed Book IN 4, pp. 76-77

John D. Eakle, of Washington Co., Maryland sells Leitersburg Lot #1, to Christian Shockey, of Washington Co., Maryland; for $300.50. Deed dated 10 Feb 1849; recorded 19 Mar 1849. "Whereas by a Decree of Washington County Court, sitting as a Court of Equity, bearing date the tenth day of August, eighteen hundred and forty seven, the above named John D. Eakle was appointed a Trustee and authorized and empowered to sell and dispose of the real estate of Henry Barnhart, late of said County, deceased, for the purpose of providing the proceeds of said sale among the Heirs at Law of Said Henry. That in pursuance of said Decree, the said John D. Eakle did on the eleventh day of September, eighteen hundred and forty seven, sell and dispose of, to the above named Christian Shockey..."

Did you ever consult this legal case? Funny thing is, Henry Barnhart is supposed to have died in 1831!

I wonder if he died later than that...

Message Board Post:

Hello,

In 1983 I published a Garvin Genealogy book tracing the descendants of Henry Garvin, a Revolutionary War soldier, and his wife, Sarah McKee. They lived in Cumberland Co., Pa. then later on the line between Franklin Co., Pa. and Washington Co., Maryland. Their youngest daughter, Sarah Garvin, was born June 24, 1802. According to family records, she was married to a Mr. Barnhart and lived near Leitersburg, Washington Co., Maryland. In the 1850 census, District 1, Washington Co., Maryland, there is living in the household of John Garvin (a son of the above Henry and Sarah McKee Garvin), Mr. Abraham Misner, 49, his wife, Sarah A., 48, and their son Martin,9.

I have a theory that this Sarah A. Misner is actually John Garvin's younger sister.

According to Martin Misner's January 10, 1923 obituary in the Waterloo (Iowa) Evening Courier, he moved to Illinois in 1859. I find "Abram Meysner" 69, and his wife, Sarah, 68, living in Mount Morris Twp., Ogle Co., Ill. in the 1870 census. Backtracking to 1840 to find the Abraham Misner family in Leitersburg, Washington Co., Maryland, I find the household consisted of 1 male 40-50, 2 males 10-15, 2 males 5-10, 1 male under 5, as well as 1 female 30-40, 1 female 10-15, 1 female 5-10, and 1 female under 5.

Perhaps the mystery about the parentage of several of the "parentless" Barnharts in Ogle County, Ill. is that they are the product of Sarah Garvin's first husband.

I have corresponded with Lucy Weaver about this previously, but have others considered this possibility?

Cheers!

Hi again, Lucy,

Well, here's what you were looking for!

Washington Co., Maryland Deed Book IN 2, p. 199-200

Hugh Weaver and Anna, his wife, sell Lot #1, Leitersburg, Washington Co., Maryland, to Jacob Barnhart. Deed dated 8 Oct 1846; recorded 9 Dec 1846. In the text of the deed there's this: "it being lot No. 1, on the plat of said town conveyed to a certain Henry Barnhart dec'd, of Franklin County, and State of Pennsylvania and the said Hugh Weaver and Anna his wife, one of the legal heirs and representatives of the said Henry Barnhart, dec'd..."

Henry Barnhart acquired Lot #1, Leitersburg from Andrew Leiter in 1818 (Deed Book DD, p. 170). A year earlier he had acquired lots 30 and 31 from Andrew Leiter. I see that Henry and wife Sarah sold Lot 31 in 1820, and Lot 30, in 1836.

Obviously the assertion that there was no probate of Henry Barnhart's estate is mistaken, for Anna Weaver would not have been called a legal representative otherwise.

Anyway, I know you looked for this connection, and it's nice to find it!

I am attaching three jpg files of the deed.

Richard

Subject : RE: hello

Richard, I must have not read your e-mail to my daughter Ann Shevin in its entirety, when I sent you the other reply. Sorry about that. I will have to refresh my mind on the Barmhart-Weaver-Meisner connections.
These were all related to my late husband Jerry Weaver. You had to do some excellent detective work to find me through my daughter Ann Shevin. After the death of my husband Jerry Weaver in May 2004, I was re-married Oct. 26, 2007 to a widower, thus my name change to Marckel with a new e-mail address of fdmarckel@ayersvilletelco.com
.
I think in my other response to you, I had noted the tucker in your e-mail address and "assumed" you had info on the Tucker family. I guess I should learn to sxcroll down on my e-mails to make sure I don't miss anything. Lucy(Weaver) Marckel

Subject: RE: hello from Lucy Weaver Marckel

Hi Lucy,

Very glad to hear from you! I'm not sure that "retired" is the right word to put to my condition just now, but I did "step out" of my library dean position at Ferris State University with the intention of not working (however, in February I was persuaded to apply for a position at Central Michigan University, in Mt. Pleasant, and am in the final field of three candidates, and will be interviewing there in two weeks...)

However, with the free time I've had over the past several months, I have reinvestigated some lines of the family, including the Barnharts.

You may recall that I theorized that the second wife of Henry Barnhart (1763-1831) was Sarah Ann Garvin (born June 24, 1802, according to the Garvin Bible). Sarah's niece, Mary Catherine Garvin Hoch (1833-1931) was an early DAR member (her grandfather Henry Garvin was a Rev. War soldier). Her recollections were written down by several of her! r! elatives, including the list of her father's siblings. Of her Aunt Sarah Ann Garvin, Mrs. Hoch said her aunt married a Barnhart and lived in Leitersburg. Mrs. Hoch's parents and family moved to Ohio around 1853.

You may recollect that I told you about finding in the 1850 census household of John Garvin, Dist. 1, Washington Co., Maryland three non-Garvins, namely Abram, Sarah, and Martin Misner, aged 49, 48, and 10, respectively.

My interest was aroused when I learned that in the accounting of the family of Henry Barnhart (1763-1831), his second wife was noted as Sarah Meisener. (My contention has been that this is correct, only that Sarah married Abram Misner as her second husband, and relatives recounting the family history simply recalled her by her second husband's name). In one of your messages to a Barnhart message list you mentioned receiving the list of Henry and Sarah's children: Sarah Ann, Anna Magdal! en! a, Babbs, Barbara, Margaret, Susanna and David G.

Here are the obituaries of three of them:

David G. Barnhart (could his middle name be Garvin???) was twice married, and one of his! s! ons became a successful attorney in Iowa and later Seattle, Washington.

I have just located a published sketch of this attorney:

!BIOGRAPHY: History of Clay County, Iowa, by Samuel Gillespie and James E. Steele (Chicago: S. J. Clarke Publishing Co., 1909), pp. 294-296

W. ERNEST BARNHART.

W. Ernest Barnhart is an attorney at law of Spencer, with a large clientage, and in his chosen profession he has made that steady advance which results only from merit in handling important litigated interests. He is still a young man, with opportunity before him to attain still greater success, and his friends do not hesitate to predict for him continued progress in the field of his chosen profession. He was born near Pen Mar, July 16, 1877, his parents being David G. and Margaret Virginia (Frye) Barnhart, also natives of the Keystone state. The father was a son of Henry Barnhart, who with two brothers came from Germany, his native land, to America. Henry Barnhart settled in Pennsylvania, while one of his brothers became a resident of Ohio and the other of the west. He died in Pennsylvania in middle life, while his wife passed away in Mount Morris, Illinois, at an advanced age. They were the parents of three daughters: Susan, the wife of Joseph Boward ; Barb! ar! a, the wife of Joseph Kale; and Peggy. David G. was their only son. In early life David G. Barnhart learned the wagon maker's trade, which he has followed many years. For some time he has been a resident of Cavetown, Maryland, and is well known as a representative of industrial interests in that city. He wedded Margaret Virginia Frye, who was also born in Pennsylvania and was a daughter of David and Susan (Ridenour) Frye. Her father was a native of Maryland and was a carpenter by trade. He passed away when about sixty years of age and his wife was sixty-five years of age at the time of her demise. They had a large family, numbering seven sons and one daughter. The home of Mr. and Mrs. David G. Barnhart was blessed with eleven children, seven sons and four daughters, and their record is exceptional in that all are yet living, namely : Margaret, the wife of George Claybourne, a resident of Hagerstown, Maryland ; Anne, the wife of Charles Reynolds, whose home is in Cambridge, I! ow! a; Edward, a member of the United States navy on the battleship Minnesota ;

George O., living in Champaign county, Illinois; W. Ernest, of this review ; Harry C., who is located at Hagerstown, Maryland ; Gertrude M., the wife of Harry Burger, of Baltimore, Maryland; William R., who is a soldier of the regular army stationed at Fort Leavenworth, Kansas ; Lester H., of Cavetown, Maryland ; and Ura K. and Benjamin Franklin, who are also residents of Cavetown.

W. Ernest Barnhart resided in Funkstown, Maryland, between the ages of three and nine years and then accompanied his parents on their removal to Cavetown, where he spent seven years. On the expiration of that period the family went to Mount Aetna, Maryland, where W. Ernest Barnhart continued to reside until twenty-one years of age. In the meantime he acquired his education in the public schools, passing through consecutive grades and supplementing his grammar school training by the high school course. On the 4th of September, 1898, he left home and sought the broader business opportunities of the middle west, first making his way to Ogle county, Illinois, where he worked on a farm until the fall of 1900. Feeling the necessity of further educational training, if he would attain success in life, he then became a student in the Northern Indiana Law College, at Valparaiso, Indiana. While on the farm in Ogle county, Illinois, he had read law two years and continue! d ! his law studies in Valparaiso, being graduated from the law department of that school with the class of 1902. However, he practiced for a year before his graduation, having been admitted to the bar in 1901. There he remained until May, 1903, practicing with T. H. Hurd, at one time prosecuting attorney there. Later he returned to Ogle county, Illinois, where he remained until August, 1903, when he came to Spencer and entered into partnership with O. A. Thomas, a relation that was maintained until August I, 1905. Since that time Mr. Barnhart has been alone and has secured a good clientage, connecting him with much important litigation tried in the courts of the district. He also does a collecting and insurance business.

On the 4th of April, 1906, occurred the marriage of Mr. Barnhart and Miss Berta M. Roybar, a daughter of Frank and Lucretia (Lee) Roybar. They have two children, Harold Ernest and Margaret Helen. The parents are well known in the social circles of the city and their home is most attractive by reason of their warm-hearted hospitality. Mr. Barnhart holds membership in the Christian church while his wife is a member of the Presbyterian church. He also belongs to the Knights of Pythias lodge at Spencer, in which he is serving as chancellor commander, and is also a member of the Modern Woodmen camp. His political views are in accord with the principles of the republican party and in 1904 he was elected on its ticket to the office of city attorney. His first term received public indorsement in his reelection in 1906 and in 1908 he was elected to the office of county attorney. He is recognized as a strong and able lawyer, with thorough understanding of legal princip! le! s, while his application of the points of law is always correct and logical.

++

While this sketch does not state that his grandfather, Henry, was married twice, neither does it mention that his father was also twice married.

But it's quite signficant that this sketch points out that his grandmother (Mrs. Henry Barnhart) died at an advanced age, and in MOUNT MORRIS, ILLINOIS!

+++++++++++++++++++++++++++++

Again, to refresh your memory, I found Abram and Sarah Misner, again, (only their name was spelled "Meysener", living in Mount Morris, Illinois in the 1870 census. By that time, their son, Martin had married (in Carroll Co., Illinois, n 1863. I eventually caught up with Martin Misner and located his obituary in Iowa. It states he moved to Illinois when he was 19 (he was born August 23, 1840, so he was likely on the road in the Spring of 1860.

Which might help explain why, until now, I have been unsuccessful in locating Abram! a! nd Sarah Misner in the 1860 census.

Well, that's only half right --- I found Sarah -- or I should say "Sarah Misenger", aged 60, born in Maryland" -- tacked on as the last member of the household of Joseph and Susan Boward, in Hagerstown. And we know that Susan (Mrs. Joseph) Boward is the daughter of Henry Barnhart...

Now, let's back up to the 1850 census again, where we find the Misners living in the household of John Garvin and family. Two households away from them, in the household of David Kitzmiller, is living Barbara A. Barnhart, aged 16. You notice that in David G. Barnhart's obituary, mention is made of his sister, Mrs. Barbara Kale. She is referred to as the wife of Mrs. Joseph Kale in that 1909 sketch of Ernest Barnhart. In reality, she was probably married to John Kale, whose eldest son was named Joseph. I found the Kale family in Hagerstown in the 1880 census, and Barbara is shown as 47 years! o! ld. This is 30 years after the Barbara Barnhart appeared two households away from the Misners, but I'll bet you even money they are identical!

Then, just to complete the loop, as I've said, I found Abram and Sarah living in Mount Morris in the 1870 census. Their son Martin was married in the adjoining county -- Carroll, in 1863, and I find a marriage of Abram "Misinger" to Mrs. Ann Finicle, in Carroll Co., IL on July 26, 1874. I then find an Eliza Misner, widow, living in Mount Morris in the 1880 census, and with her is her son, George Finicle.

I have found one other little lead which I am following up on. In the Hagerstown Daily Mail, 17 Nov 1932, p. 12, there is this obituary:

Harry Barnhart, native of Leitersburg District, and the first Adams Express wagon driver in this city, died Tuesday at his home, 432 Sixth St., S.W., Washington, D.C. Death was sudden. He was aged 79 years.

Surviving ar! e ! his wife, Ellie Barnhart, and a sister, residing in Washington. Edward and Harvey Zeigler, this city, are cousins.

Funeral services will be held from the residence Friday night and on Saturday the body will be brought to Hagerstown in Rose Hill.

+++++++++++++++++++++++++++++

The Edward and Harvey Zeiglers mentioned as cousins of this Harry Barnhart, are sons of Margaret Barnhart Zeigler (see her obit., above). I did some backtracking and haven't yet figured who Harry's father was. I have found him in the 1880, 1900, 1910, 1920 and 1930 census, however.

And, actually, the 1860 census, too, for here is the household of David [G.] Barnhart, Wagon Maker, living in Leitersburg Dist., Washington Co., Md.:

David Barnhart, 28, b. Pa.
Ann " , 26, b. Md.
Mary " , 36, b. Pa.
Kath. ! ;&! nbsp; " , 10/12, b. Md.
Henry " , 6, b. Md.

So, like Sarah Misner finding herself listed in the Boward family, in the 1860 census, while her husband

and son were heading off to Illinois, so, then we find Mary Barnhart.

I've also found the marriage of a George Harmon to Polly Barnhart, listed in the December 7, 1864 Hagerstown Herald and Torch Light newspaper. But haven't found Henry/Harry Barnhart in the 1870 census.

However, I do find Polly Barnhart, 56, heading a household which includes Henry, 24, an Express Messenger by occupation, Catherine, 20, and a son, William, 2.

You had mentioned a "Babbs" Barnhart, born 28 Aug 1823, among the list of Henry and Sarah's children. This Mary/Polly Barnhart was born around 1824, so I imagine whoever that "Babbs" is, it is Polly's husband. Their children would therefore be cousins of the Zeigler brothers. ! I! 've written away to the District of Columbia for the death certificate of Harry, and perhaps we'll get lucky and his parents will be listed. Ditto, for David G. Barnhart, who died in 1912 (I should probably be getting his death certificate later this week).

So, that's what I wanted to share with you at the moment -- with a question. Has anyone turned up the Bible record of Henry Barnhart? Or has a church record of the marriage of Henry and Sarah turned up? I located the birth and baptism of Susanna Barnhart, daughter of Henry and Sara, but that was the only one of the children I found.

Unfortunately, nothing I have found so far directly supports placing Nancy Weaver among these children of Henry and Sarah Barnhart. You'd have thought that her sisters' obits. would have included her, or her obit would have included David and Barbara, since they survived her.

Sometime! s ! I have been lucky when scanning newspapers when a gossip column will mention the passing of a sibling or relative who lives far away. I have found a number of references to Ogle County deaths in the Hagerstown paper.

I'd enjoy hearing from you!

Sincerely,

Richard Cochran

Subject: Henry Barnhart Family Bible?

Hi Lucy,

Well, I'm back to genealogy again. The interview at Central Michigan University went exceptionally well and I fully expect to be getting an offer next week. The Search Committee is meeting on Friday. I'm afraid, however, that my free time will come to an end...

Can you tell me, please, about the Bible record of Henry Barnhart that mentioned his (2nd) wife was Sarah Misner/Misener?

Also, in one of the messages you posted online, you referred to extracts from the Salem Reformed Church. The only record I ever found about Henry was the birth and baptism of his daughter, Susan, 9 Apr 1829/4 Mar 1830 (mother's name: Sara).

This Susan Barnhart married Joseph Boward in May 1847. I found this interesting Bill of Sale that once again reintroduces Abraham Misner:

Washington Co., Maryland Deed Bk. IN2, p. 268

At the request of Susan Barnhart the following Bill of Sale was recorded January 20, 1847

Know all men by these presents, that I, Abraham Misner of Washington county, in the state of Maryland, for and in the consideration of the sum of $30.00, current money, to me in hand paid, by Susan Barnhart of said county and the said state, at and before the sealing and delivering of these presents, the receipt whereof I , the said Abraham Misner, doth hereby acknowledge, have granted, bargained, and sold, and by these presents doth grant, bargain, and sell onto this said Susan Barnhart his executors, administrators, and assigns, all the goods, households stuff, implements and furniture, hereinafter mentioned; that is to say one tin plate stove and pipe , together with all the personal property that I have any interest in, all and singular which said that goods and that chattels are now are remaining, standing, and that being in a certain messuage or tenement, situated in the said county and now in the occupation of me, the said A. Misner. To have and to hold, all and singular the said goods, household stuff and furniture, and other the premises, above bargained and sold, or mentioned and intended so to be, to the said Susan Barnhart his executors, administrators, and assigns, forever; and I, the said Abraham Misner, for myself, my heirs, executors, and administrators, all and singular the said goods, household stuff and furniture, and other premises, unto the said Susan Barnhart his executors, administrators and assigns, against me the said Abraham Misner, my executors and administrators, and against all in every other person or persons I the said Abraham Misner have

hereunto set my hand and seal the 31st day of December A.D. 1846.

X His Mark Abraham Misner.

Hope you are doing well.

Sincerely,
